growth groups

We believe when you velcro people to one another and to the practice of God's Word, they grow. Growth Groups are a great opportunity for you to connect with God and others. There are groups of men, women, mixed, singles, couples, or young adults consisting of 12-18 people meeting once a week at convenient locations on various days of the week.

current message series:

Come and See

Imagine waiting for something you've wanted for a long time. When it arrives, you are so overjoyed with excitement that you want all your friends and family to see it. This type of excitement is what those who first met Jesus felt. They had waited for generations for the one who would save the world, and He finally arrived. In the first four chapters of John, we see the beginning of Jesus' ministry on earth and how his followers invited everyone to "come and see" what Jesus was all about. Join us in this message series as we discover how we can have the same excitement and determination that followers of Jesus had when Christianity first began.
