Schedule

Contact us to set up a drop off

→

Organize

Separate snacks into the groups shown above

→

Fill

Include a variety of at least 8 items per bag

→

Seal

Squeeze the air out and seal the bags

→

Box

Collect all the bags into boxes for transport

Special notes

All items should be snack-sized and individually wrapped in the original packaging. Nothing perishable, expired, or with a short shelf life. Nothing that requires a can opener. Include a spoon in the bag. Do not include drinks in the bag. Package in a double zipper gallon storage bag.
