

4-WEEK BIBLE READING PLAN

THE HOLY SPIRIT is often the least understood person in the Trinity. This Bible reading plan will help you to know who the Holy Spirit is, how he is revealed in Scripture, how he interacts with the church, and how you can live a life empowered by the Spirit today. Each week includes a summary statement for you to look back on as you learn more about the Holy Spirit this month.

Set aside time any 5 days of your week to read the verses listed. Most of the passages are intentionally short so you have time to read them more than once. This gives you time to practice listening to what God may be saying to you about the Holy Spirit and through the Holy Spirit.

Don't worry if you fall behind! Continuing to read is more important than keeping the schedule.
