

TRANSFER of CREDIT FROM FOREIGN EDUCATIONAL INSTITUTIONS

Transcripts from foreign educational institutions must be requested by the student and be sent directly to one of the following credential evaluation services before they can be reviewed at the Registrar's office for transfer credit. We request that a course-by-course evaluation be completed so that we can view the U.S. grade and credit equivalencies for transfer. Once the evaluation service completes the evaluation, they should send an official transcript directly to TSCT:
