Children must be between two (2) and five (5) years old to attend any session and have not yet attended Kindergarten.

Littlest Angels' summer program follows a rhythm that is similar to our school year program. Our camps are three weeks long and each offers an exciting theme. This program is staffed by the same high-quality teachers who work during our school year program. Each session will give each camper the opportunity to experience theme related vocabulary words and facts, music, science, pretend play, creative art experiences, counting, and color, shape and letter recognition.

A morning snack will be provided. Children in the 9:00 – 1:00 program are to bring a lunch—microwaves are available to warm food as needed.

Come join us for enrichment, socialization, exploration, and most of all some SUMMERTIME FUN!

OUR SUMMER PROGRAM IS FILLED ON A FIRST COME-FIRST SERVED BASIS—SO SIGN UP EARLY TO GUARANTEE A SPOT FOR YOUR CHILD!

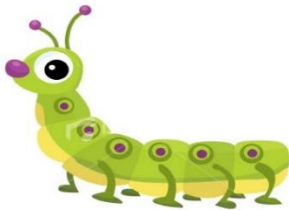

Summer Themes 2023

Summer Session 1
June 12th - 30th
Once Upon a Time!

During session 1 we are going to have a great time with some of our best loved authors and their books. Mother Goose and Dr. Seuss will be on the loose! We'll enjoy a few fabulous fairy tales too. Research shows that to develop into lifelong readers, children need opportunities to learn to love books. There will be many opportunities to grow our imaginations and creativity through art and storytelling!

No Summer Program July 3 to July 7

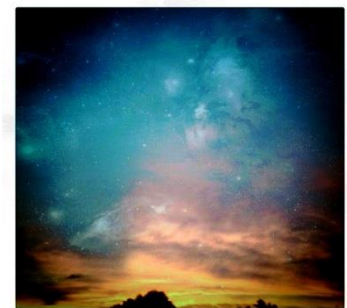

SESSION 2
July 10th - 28th
Going Buggy!

We'll be "buggin' out" all session long! Children are naturally fascinated by these little creations, so why not capture that interest and learn all about them. Classrooms will be crawling with little Entomologists! Beloved author, Eric Carle, and his art forms and books, will be our exceptional "guest" this session too! We will explore bugs as we read his books; [The Very Hungry Caterpillar](#), [The Very Quiet Cricket](#), [The Grouchy Ladybug](#), [The Very Busy Spider](#), and [The Very Lonely Firefly](#).

Session 3
July 31st - August 18th
Oh, Those Summer Nights!

What happens when the sun goes down? This theme will be a hoot and a half because it's all about owls and other creatures of the night. When we sleep, things are happening! People work, nocturnal animals wake up, and the moon, stars and planets shine! We will wake up our senses as we explore all these extraordinary things! And of course, children sleep at night so we will enjoy the greatest pajama party day ever!
