

A Clear Vision of Marriage - Session 2 of 2

Foundational Values – Our Marriage

Identify approximately ten core values for which your marriage currently, or aspires to, exemplify in the daily living out of your purpose as God's witness to the world, as Christ and His Church, on a mission of ministry.

We would encourage you and your spouse to first determine the values separately and then come together and use your two lists to discuss similar responses and how you think through the remainder of the list that will comprise those 8-12 values for which your decisions, behaviors, attitudes, and testimony will be guided and measured.

Possible values are listed below, but feel free to write in your own as well.
