From the Pastor Getting Ready for Thanksgiving

(Luke 12:13-21)

You've probably noticed the cultural pressure to get ready for holidays before they actually arrive. If so, you've taken stock of how that trend has accelerated over the years. Remember the quaint notion, once upon a time, that your local department store was trying to commercialize Christmas by putting out their Christmas gear before Thanksgiving? This year, our local wholesale club had their Christmas offerings out in July. I confess to being a serial procrastinator and having the inclination to go Christmas shopping later than I probably should, but this practice gives a whole other meaning to the term "Christmas in July"!

"Christmas in July" isn't all bad. At Resurrection, we even have a yearly tradition of serving the needs of others that way. And getting ready for Thanksgiving Day in October (or any month of the year) is a salutary practice as well. St. Paul urges us to give thanks "in all circumstances, for this is the will of God in Christ Jesus concerning you" (1 Thess.

5:18). Modern science is aligned with this encouragement. A posting on a research hospital website in March identified no less than five benefits from giving thanks and practicing gratitude: reduced symptoms of depression, less anxiety, improved heart health, reduced

stress, and improved sleep. (<u>To read the article, click here.</u>) It is nice to know that our doctors agree with the encouragements we receive in the Scriptures! But as our loving God gives the gift of gratitude by all that He has done and continues to do for us purely out of "fatherly

Meant for Good: A Study of Joseph

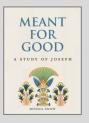

A devotional journey through the life of Joseph, Genesis 30-50.

Everyone remembers Joseph from Sunday School days! But how often have you stopped to think about Joseph's life as a kind of "spiritual boot camp" that parallels your own? As author Donna Snow writes, "The amazing truth about God's spiritual boot camp (basically, our whole life) is that He never leaves us. Ever.

In Joseph, we see Christlike qualities and parallels to apply to our Christian walk. We can choose to become victims of our circumstances, or we can trust God to bring beauty from ashes every single time.

If you are looking for an opportunity to be immersed in God's Word and enjoy conversation on important topics with your faith family at RLC, now is your chance.

Join us on **Sunday mornings**, 9:30-10:30 am in Fellowship Hall from September 10-November 12!

divine goodness and mercy, without any merit or worthiness in me" (Small Catechism, Apostles' Creed, I), our doctor's instructions are confirmation not our first hearing — of what we already know to be true.

What does thanksgiving look like, as a lifestyle choice? That's the question we will be asking throughout the month of October. A three-week sermon series on that very question, centered on the appointed readings for October 8-22, will highlight what it means to be a steward of God's possessions, to live out God's peace as people of contentment, and to be faithful in our response to "give unto Caesar" and unto God.

As we celebrate another anniversary of the \mathbf{R} eformation this year, we give thanks to God and give Him the glory!

In peace and joy, Pastor Jonathan

RLC Worship Servants

There is always a need for more volunteers to assist in all of our worship services. Please consider being a greeter or usher, a worship assistant or lay reader, a slide tech or live stream team member. Feel free to reach out directly to the following for more information:

- Saturday, 6:00 pm Lori Jannings
- Sunday, 8:00 am Brenda Peterson
- Sunday, 9:30 am Dara Linn
- Sunday, 11:00 am Suzi Heffner

You may also contact the church office (919-851-7248, office@rlcary.org) for assistance.

We encourage you to find areas of interest that best suit your natural gifts, and join us as we reach out with the love of Christ, by grace, through faith, for service.

Church Council News

September 2023

- During our September meeting, we took care of annual business needs which included approving three health care options (as offered by Concordia Health Plans) for the staff and Pastors; the costs of which are all covered by the budget approved by the voters in June.
- The 2023 RLC Council has committed itself to the strategic distribution of The Next 40 Mission Funds which includes the contributions shown below. The Council is taking a deliberately slow approach to ensure funds are used wisely and available for future needs (such as Maui Relief and support for recovery efforts in Turkey).

\$3000 Lutheran Study Bibles for Uganda
\$1000 LCMS Disaster Relief/Support Turkey Recovery
\$5000 Western Wake Crisis Ministry
\$5000 CLI Prison Alliance
\$5000 Camp Linn Haven, NC
\$5000 Lutheran Deaf Mission Society
\$5000 Concordia Seminary, St. Louis
\$5000 Concordia Seminary, Ft. Wayne

\$1000 LCMS Short Term Missions
\$4000 Lutheran Church Charities (for Maui Relief)
\$5000 "Not Alone Blind Internet Ministry" (LCMS-based ministry to the blind that became a model for our own "Food and Fellowship for the Blind")

- Thanks to all who contributed so generously to The Next 40 Campaign during the past 6 years making this possible. We now ask you to consider the needs of our facilities. We recently replaced one of our major A/C units (~\$20,000), and now have roof repairs to deal with as well. Funding for our General Fund Budget approved in June is currently running short by about \$35,000 for the Fiscal Year. Please prayerfully consider increasing your support to the General Fund.
- During the past two months, the Council has been working with Resurrection Lutheran School on increasing the security for the students and staff. The Council gave the "verbal okay" for the School to employ (at school expense) various upgrades in the area of added security. The council continues to work with the school on other enhancements for student and staff safety at the school.
- The next Voter's Meeting will be **Sunday, December 10 at 12:45 pm** in the Family Life Center. The main agenda item will be election of new Council Members full agenda to follow...

Your Council members are listed below and are willing to take questions and suggestions.

Outreach Service to the Community

Blessing of the Quilts and Silent Auction

Blessing of the Quilts will be at **all services during the weekend of October 7/8**. There will also be a Silent Auction Fundraiser, which will include a variety of handmade quilted items.

We make hand-tied quilts for two organizations - Sleep in Heavenly Peace and Lutheran World Relief.

Sleep in Heavenly Peace ministers to children locally who are in need of beds and blankets. The Piecemakers' donated 30 warm and cheerful children's quilts to this ministry in November 2022.

The Quilt Ministry is Lutheran World Relief's longest running program. LWR distributed its first quilts in 1945 to families in war-torn Europe following the Second World War. Within a decade, the ministry was reaching around the globe to villages far removed from the world's attention. Quilts can be used as warm bedding, room dividers, simple tents, or floor coverings.

In 2022, Lutheran World Relief distributed over 220,000 quilts to 19 countries with a focus on Angola, Georgia, and the Polish/Ukraine area. The quilts on display are just a portion of the 250 quilts that were made this year. They will be shipped to the Lutheran World Relief warehouse in Maryland, and we pray that these quilts will be a blessing for each recipient as they are sent abroad.

We want to thank everyone who donated fabric for quilt tops and bed sheets for the quilt backs. Please, keep the donations coming! You can drop them off at the church office or in donation bins across from mailboxes.

We want to thank the more than 20 ladies who worked on these quilts! It takes many hands to complete just one quilt and we have been busy. Not all of the jobs on a quilt need a sewing machine. So, if you are interested in giving us an extra pair of hands, we can find the right job that fits your expertise. Feel free to join The Piecemakers on Tuesdays, 1:00 pm in Room 151, Family Life Center.

Christ-Centered Care

Check Out Ministry Support Provided Free from Within the Church by Lay-Persons

We are fortunate to have several members in our community volunteering their time and talents in support of the Stephen Minister program.

Those in service are a mighty team of Stephen Ministers, along with a Pastor, who work to provide directed, Christ-centered, individualized care for members in our congregation.

The team works in tandem with the Pastor by deepening, expanding, and extending the caring capacity of our church.

Stephen Ministers are hosting an information table between the Sunday worship services and after the Saturday, 6:00 pm and Sunday, 11:00 am services the weekend of **November 4 and 5**.

Short-Term Mission Trip

Erika Hulse, RLC's Children and Family Ministry Director, attended her first LCMS Short Term Mission trip to Poland from August 1-14, 2023.

She served 60 children at an English Bible Camp in Bładnice. God was at work among the volunteers, children, host family, and Pastor's family!

On September 24, she hosted a Mission and Ministry Presentation that provided a fun, interactive walk through a summary of her trip. Everyone was able to see, hear, and experience all that God accomplished during her time in Poland.

Erika is extremely thankful for the congregation's support of prayer and monetary donations. *Dziękuję*!

September to Remember

On Tuesday, September 12, women and men from all over the United States and, indeed, the world set aside some time to prayerfully donate to the 2023-2025 LWML Mission Goal. On our special day of giving — *September to Remember* — Lutheran Women in Mission invited the full extent of our LWML community to share a gift of love in remembrance of someone significant in their faith journey.

The objective of *September to Remember* is that we as Lutheran Women in Mission come together to give our mite offerings and our gifts of love into the LWML Mission Goal. With every dollar you gave, you directly affected the life of another sister or brother's ability to continue building and strengthening their ministry so they can continue proclaiming the Gospel of Christ to a hurting and needful world.

On our special day of giving, your gifts totaled \$39,039 and it's only just the beginning! Lutheran Women in Mission exists to honor God by serving others and one of the ways we do that is by supporting missions. Our 2023-2025 Mission Goal is \$2,350,000 and, as you can see, your donations have already made a sizable impact.

Missionary Update

J.P. Cima and Family in Cambodia

Greetings in Jesus' name from Phnom Penh! It was a special blessing to see you this summer. Thank you for the warm welcome and hospitality. We enjoyed the "Temple Talk" and the Bible study time together.

What a joy to send this message expressing our deepest thanks for your partnership with our family as we serve God's mission in Cambodia. As we enter our 6th year in Cambodia, and our 17th in Southeast Asia, we are more aware than ever of how precious your prayers and support are. It is because of YOU that we are able to continue to follow God's call to these corners of the globe. We love being a part of what God is doing through His people. THANK YOU!

It's been far too long since we've sent an update like this, so there's much to catch up on. After the <u>death of</u> <u>J.P.'s father</u> in early May, J.P. traveled to the US about two weeks earlier than we had planned to be with family. <u>The memorial service</u> was a joyful celebration of Dad's life as husband, father, friend—and so much more—all with a deep faith in Jesus that has now carried him to eternal life. The rest of the summer included an <u>aggressive schedule</u> of church visits across the United States. We met so many people who are passionate about God's global mission! To be able to shake hands, discuss, celebrate, and pray with those who support our family is an immeasurable blessing.

Upon returning to Cambodia, we've been busy. The kids have started a <u>new school year</u>, while J.P. and Aimee have continued key initiatives begun earlier in the year. As a regional manager, Aimee continues to work with missionaries in Hong Kong and Macau (where she <u>traveled in April</u>), as well as Papua New Guinea. Locally, she also <u>continues to advise</u> Concordia Welfare and Education's development projects. J.P. continues to work with the Cambodia Lutheran Church to implement priorities identified during the spring's <u>strategic planning</u>, itself the culmination of a year-long <u>visitation program</u>. Specifically, the CLC has asked J.P. to expand training in Luther's Small Catechism (which he had <u>already implemented</u> in two locations) to five other strategic locations throughout the country. The CLC has <u>received a grant</u> from LCMS to implement these seminars. And, of course, we continue with our <u>youth group</u> and <u>other teaching opportunities</u>.

You are a part of all of it! Again, thanks for your partnership. Please do feel free to reach out at any time. We LOVE hearing from you! God bless and keep you.

In Christ- JP, Aimee, Celeste, Bella, and Isaac <u>cimafam.com</u> <u>lcms.org/cima</u> <u>missioncentral.us/cima</u>

Middle School and High School

Youth Ministry News

The RLC Youth Groups are off to a stellar start to the year!

Middle School has successfully transitioned youth groups to Wednesday evenings from 6:00-7:00.

High School this week participated in their first service event of the year, packing care packages for our College Crew Alumni.

And both groups are looking forward to our first big cooperative service event, Trunk or Treat! The youth theme for this year will be... *Wild West, Cowboy Up for Jesus!*

You can see what we are doing each week! Follow us @youthatrlc on Instagram.

STEM NEWS

The magic of STEM education continues to grow school-wide! In the last few weeks, many elementary school students visited the Makerspace to explore Ozobots. Ozobots are tiny robots that students can code and create simply by using colored markers that the robots read. Hands-on, tech-savvy learning doesn't stop here. Teachers throughout our building are bringing lessons to life with engaging STEM activities in their classrooms. We are blessed!
