

# LUNCH/SUPPER CLUB SIGN - UP!

Back by popular demand – Lunch/Supper Clubs are forming now to meet starting soon.

Supper Clubs are small groups meeting for food, fun and fellowship. Anyone can join – couples, singles, young or old. The dinner groups will have 6-8 people assigned whenever possible to allow the host-hostess for the month to invite additional people (perhaps new church members, prospective members or anyone who would enjoy the fun). This is a great way to broaden our friendships and connect with others in our church family! For those of you who participated in years past, the names will sound familiar:

**DINING IN** are in-home Groups where the host/hostess rotate monthly and usually provide the main course and beverage. Others attending bring side dishes and dessert.

**DUTCH TREAT** Groups rotate host/hostess choosing his/her favorite restaurant for the month. Each person is responsible for his/her own check.

**OUT-TO-LUNCH BUNCH** Groups operate like the Dutch Treat Groups, rotating between host's favorite noontime eateries.

You may join one or all of these Groups! Once Supper Clubs are formed, each individual Group picks their own most convenient week and day to meet each month.
