## SPRING VACATION IS MARCH 20-31, 2023

Next week our High School students will be taking part in two mission trips, India and Washington DC. So many of you have helped financially to make this a reality for the students of RVAA. We ask for your help one more time: Please pray with us daily from March 19 thru the 31 that these students and their sponsors will be safe and gain a new understanding of the love of Jesus.

**RVAA Sports:**

Well the RVAA Basketball Season has officially ended! Congratulations to all the teams! You were a great representation of RVAA.

**Prepare for the time change this weekend! March 12, 2023**

Don't forget to set your clocks back one hour this weekend!

**Universal Technical Institute**

A recruiter from Universal Technical Institute will be here on campus on Wednesday, March 15, to meet with our high school students to have a candid conversation about their trade school options. We welcome to opportunity to give students a well-rounded point of view on their future endeavors.
