# A MESSAGE FROM THE RECTOR

## LeDuc Scholarship Program – Expanding our Community

All Saints' Church has been synonymous with the issuing of scholarships, making a significant and exceptional contribution toward assisting graduating students within our community, while at the same time experiencing a number of changes in the process. This year, another change is being made to include three (3) other high schools in which the majority of our church family resides.

Over the years, we have distributed scholarships through our LeDuc and Defiore-Glover programs and facilitated them as in the case of the Sirote Foundation. However, currently, the Church offers scholarships through the LeDuc Scholarship Fund.

Named in honor of Henry Sumner LeDuc, and established in 1971 by Florence LeDuc, in memory of her husband, the Fund

originally began as a loans program for those pursuing tertiary education. However, in 2003, the program changed to scholarships awards to Jensen Beach High School (JBHS) seniors. Through an annual grant from the GW Fund at the Community Foundation Martin - St. Lucie, private donations, and the interest of the LeDuc Fund, these scholarships have assisted several students in pursuit of college education.

The 2024 Scholarship Awards Ceremony at the Jensen Beach High School

Throughout the years, the granting of scholarships has changed from one-time gifts to four-year contributions, and scholarships have been named for specific course areas and for individuals.

Scholarship winners of the Jensen Beach High School with Fr. Frisby Hendricks, Bob Taylor, and Marylee Johnson.

The late Buddy Glover, Jan and Arpi Rajki, and Mike McCoy with South Fork High School Scholarship Winners.

This year (2024-2025), in addition to the **JBHS** graduates, applications for scholarships will be open to seniors of **South Fork, Martin County, and Port St. Lucie High Schools**. In the past, South Fork has participated in the Defiore-Glover scholarship program. Nevertheless, the change is congruent with the LeDuc Scholarship's By Laws which allow for "... financial assistance [to] be awarded to any senior or graduate ... whose parents, next of kin or guardian reside in Martin or St. Lucie counties, Florida." More importantly, students in these other high schools are also in great financial need and require assistance in attending college. Throughout the past 20+ years, over \$450,000 have been presented to students based on their personal characteristics, involvement in school, civic and/or religious activities, financial need, obstacles overcome, work experience, and volunteer efforts.

With the majority of the LeDuc Scholarship

Committee supportive of other schools' participation in our scholarship program, I visited the three schools to discern its viability. It was warmly received. Later this year, I will send letters and information to all four schools inviting their seniors to apply for scholarships with our program, with our church's website as one of the forums for application.

Profound thanks to the members of the LeDuc Scholarship Committee – Manny Alves,  
4 Steve Ankner, Wanda Beymer, Marylee

Johnson, Karen Neff, and Joan Whitting, for their tremendous and sterling ministry. Special thanks to Steve Ankner for being the Chair of the Committee during the past year. I will be putting forward names of additional persons to serve on the Committee to the LeDuc Board for nomination and approval by the Vestry. These members of our Church will join the Committee this fall, bringing with them a wealth of knowledge and expertise to

Scholarship winners of the Jensen Beach High School with Wanda Beymer.

the Committee.

I invite you, our congregation and friends, to seriously and prayerfully consider contributing to the LeDuc Scholarship Fund. It is a signature outreach ministry in our parish which is making a meaningful and valuable impact in the lives of high school graduates in their academic pursuits. Each year, letters from students express their gratitude for the contribution we make toward the viability and success of their education.

Your donations will assist in developing the Fund, and financing scholarships within the constraints (the interest) of the amount of the Fund available that year as determined by the LeDuc Board and the Vestry's approval. Members may also contribute toward scholarships for a particular year but cannot donate toward specific students. So, if you have extra finances and not sure how to use it beneficially, the LeDuc Scholarship Fund is a useful and generous way to do so. Such contributions can and will only be used for the scholarship program. We thank you!

With love and every blessing!

Father Tony

# Deacon's Report

As I stated in my previous reports, most of my work now consists of Pastoral Care. I am no longer administering the TRUE Fund after doing so for 12 years.

There is definitely a plan to continue with the program which is currently suspended until a decision is made as to how we will proceed with its continuance. When persons come in for financial assistance, they are referred to other agencies, such as the House of Hope, which is available to help people in need. Other agencies also offer financial aid to which they can be referred.

I have also discontinued my volunteer work at Martin Correctional Institution (MCI) after 12 years of volunteer service there. My ministry involved leading a weekly Bible Study Group and being a Clergy volunteer for *Kairos*, a very intense spiritual program. *Kairos* continues to be very active at MCI. They have a four-day spiritual weekend in October and another in March. There are ongoing programs at the prison, as the weekend is just the beginning of *Kairos*'s involvement, which will hopefully develop into ongoing Christian meetings in all the dormitories.

*Kairos*, a major program at MCI, has been instrumental in assisting inmates to find the love of Christ in their lives. Many continue to participate in other Christian programs in the community, upon release. This has been shown to significantly reduce recidivism, offering hope and inspiration for a brighter future for the residents at MCI.

My pastoral care ministry includes providing Eucharistic visits to church members and

collaborating with those who desire to volunteer by visiting members who are unable to attend worship services. I plan to expand this care to others who may want or need visits. This service is provided to members in hospital or receiving assistance when they have awaiting surgery. Please inform me of anyone who may want a visit from us either to give them Communion or to provide our love toward them. As many of you know, our community has many members who are elderly.

In addition, I make it a point to reach out to those who are having physical and emotional challenges. I also visit with new persons to our church, ensuring they feel welcome and encouraged to get more involved. The feedback I have received from many is that they feel we are a very welcoming Church, and I am committed to maintaining this inclusive and caring community.

I also continue to attend all three of our church services during the week, to participate in liturgical worship, meet new members, and reach out to our congregants in need. We have a very loving group of members who are always here to help others in need.

In God's love,

**Deacon Alan**

## Fund Raising Team

Our next activity will be **Music Bingo on October 25, 2024**. Do watch for emails regarding specifics. The team will have a meeting in late September to get ready.

The first thing is to get a flyer and tickets, hopefully we can modify the previous flyer. The other event this year will be the Christmas Card Tree, which usually starts the first Sunday in Advent.

We also need to start thinking about activities and dates for next year's events.

1. Another weight loss challenge to start the new year. We will modify it based on feedback from last year to be the "honor system" as many potential participants were reluctant to be publicly weighed. Winner will be based on percentage weight loss to level the playing field.

2. Another Lenten "Bible Challenge", probably starting in the New Testament this year. We will start on Ash Wednesday and stop on Easter Sunday. The winner is determined by who gets furthest or completes soonest.

3. Probably another music bingo.

4. We are open to new ideas!

As always, our team is looking for more members and new ideas.

Thanks,  
**George Mazsa**

## Men's Fellowship

**The next Meeting will be held on Monday, October 7th at 6 p.m. in Houg Hall.**

We have a number of issues to discuss.

1. We need a volunteer to provide supper. This may be the most important!
2. We need a volunteer to pick a Bible verse for discussion.
3. We need your best jokes, otherwise I may have to recycle some of mine.
4. I am asking the Treasurer to have an accurate balance in our account. Please think about where we should donate some of this money.
5. We need to pick dates for our 2025 events. Pancake Supper, and BBQ & Car show.

This being election season, I saw the following bumper sticker on the internet:

**JESUS 2024**  
**Make America Kind Again!**

All men are welcome and encouraged to attend. I hope to see you there.

# Daughters of the King

*"This is the day  
that the Lord has made;  
Let us rejoice and be glad in it."*

*Psalm 118:24*

The theme of the worldwide Daughters of the King Triennial Convention which was held in Louisville, Kentucky, in June this year, was **"A New Day Dawns."**

We now have new National Council Officers as well as new DOK Officers for our Diocese of Southeast Florida. Our DOK chapter will also have some new officers starting in October. Our President, Vice President, Secretary and Treasurer will be installed at the 10 o'clock service on Sunday, October 6. Our next meeting will be on Monday, October 7.

Our Daughters continue to pray for anyone requesting prayers. We also continue our card ministry for All Saints'. We ask that you have your current address on file with the Church Office including your summer address if you go away for the summer months. With the increased cost of postage and the cost of cards, it's unfortunate when we have cards returned due to incorrect addresses. Thank you!

*"May the grace of the Lord Jesus Christ, and the love of God, and the fellowship of the Holy Spirit be with you all."*

# All Saints' Cemetery

For those of you who are avid *Trumpet* readers, you know that Joyce Fletcher Menard announced her resignation as the All Saints' Cemetery's President in the June edition of the *Trumpet*.

Joyce  
Fletcher-Menard

Joyce has accepted the position of Administrative Assistant in the Cemetery Offices and it is a conflict of interest to both serve as an officer of the Board and be an employee. We are so very grateful for the years of service Joyce provided to the Cemetery and for her work in

shepherding the new cemetery software into fruition.

What we didn't explain is that one of her tasks is to lead the reconciliation of our records between four sources: the old paper records (*in their multiple forms*), the Bowman Consulting ground penetrating radar survey report, the new software, and physically walking the grounds.

Since each source likely contains human errors, the Cemetery Team is putting in the time to accurately reflect the status of each plot in the new software.

The ultimate vision is to connect the new software to our new website (*being designed now*) so that people can search online for their loved ones before arriving at the cemetery. This will augment that work going into the open source "Find-a-Grave" website which makes the graves accessible to people doing genealogy

research without knowing to search our cemetery.

We'd also like to introduce Holly Rosemont who has joined our maintenance staff. Holly is studying horticulture and is a terrific addition to the team. If you see Holly or any of our staff out and about in the cemetery, please be sure to wave and say "Hi!"

Holly Rosemont

We have two new board members to announce:

- ◆ Deb Scharbo has agreed to take on the position of Secretary to the Board of Directors, and
- ◆ Pam Hurd has agreed to take on the position of Vice President and Acting President of the Board of Directors.

Because both individuals work full-time, we are changing our meeting time to 6 p.m. on the second Monday, except for the September meeting which will be held on the fourth Monday (September 23) since Pam is traveling in the first part of the month.

There are only 24 niches for cremains/ashes available in our Mausoleums. These niches are on the lowest and the highest levels. The highest levels cannot easily be reached without a ladder.

In last month's *Trumpet*, we told you we were working on expanding our offerings of niches. Today, I'm pleased to share that we have put a deposit on a new Columbarium. This is a marble structure which has room for 72 niches; it will be placed on a new concrete slab next to our existing Mausoleums (*see photo, which is an*

artist's rendering of the final design).

Every niche will be at a height that one can touch and easily place or change flowers. The Columbarium is a smaller building than the existing Mausoleums and we ultimately expect to be able to place two side by side.

Construction is planned to begin shortly, and the Columbarium is expected to be available by the end of September or early October.

We are running a PRE-CONSTRUCTION SALE

Artist's Rendering of New Columbarium

for the new Columbarium. This price (\$2,160) is good through September 30, 2024, after which the price will increase. Come see Rebecca or Joyce in the Cemetery Office, Monday through Friday, 9 a.m. to 1 p.m.

Finally, a shout out to the Members of the Cemetery Board who have graciously been providing Gatorade to the maintenance team to help combat the heat of the summer.

Respectfully submitted,

**Pam Hurd**

Acting President, All Saints' Cemetery

## All Saints' Endowment & Heritage Society

The Heritage Society, made up of church members just like you, and the Endowment Board have already begun our year. We want to get a jump on planning our two big events for the 2024-2025 Season.

This past winter season, we hosted a reception open to everyone with a guest speaker from Stuart Fire and Rescue. Deputy Fire Marshall, Kris Hansen, gave us life saving information on how to keep our homes secure and safe. We always have drinks and wonderful hors d'oeuvres at our receptions.

Our annual banquet provided a lovely buffet as well as a religious forum on the similarities and differences between Christianity and the Muslim religion for members of the Heritage Society, a thank you gift from the Endowment Board. Father Christian Anderson and Shaikh Shafayat were entertaining as well as informative.

Our goal is to keep our beloved All Saints' relevant in the 21st Century. Using only the interest and income from the invested endowment, we have opened up our church to one and all via a new system where our services can be watched via YouTube and Facebook. We also provided seed money to get our new website up and running so we are easily found on the internet.

This year, the Endowment Board has already met to brainstorm what current and interesting topics we can provide for our evenings of fellowship and education, and sometimes laughs and entertainment! Our events take place during the winter months, after Christmas and before Easter. Stay tuned here to find out what we have in store.

Fall is the season of giving as you are well aware. Your pledge does so much for our church and outreach programs. Your contribution to the Endowment lets us

(Continued on page 11)

enhance your spiritual journey. If you would like to find out how you can join in our endeavor, please ask an Endowment Board Member and they can fill you in on all of the ways you can participate with a one time gift, a gift spread over two years or a bequest in your estate planning. Members of the Board include Wanda Beymer, Deacon Alan Gellert, Pam Hurd, Ralph Painter, Jan Rajki, Frank Sundquist, Wally Wallace, and Elyta Watkins. Father Tony and Bill Winsemann are *Ex-officio* members.

Keep your eye on *The Trumpet* newsletter and Church announcements for more information on upcoming Endowment events and offerings.

## Peering Into the Past

Thirty years ago, in late February 1994, the parish was notified that the Diocese's Executive Board had decreased the diocesan assessment to \$20,000, which was \$5,000 more than the vestry thought All Saints' could pay. However, this figure was about \$15,000 less than the normal assessment for the income level at the time.

The Reverend  
Thomas F.  
Ryan,  
Sixth Rector  
of All Saints'  
(1988-2004).

Fr. Ryan wrote to the congregation in the **March 6, 1994, edition of "The Trumpet"** newsletter:

*"It should be noted that we now become the largest mission in the diocese and that some congregations smaller than ours are meeting their financial obligations to the diocese. I must confess that I have not been in this position before and therefore I feel a certain sense of embarrassment even though many other parishes in the diocese are in our same financial position. ..."*

In 1994, the Rector was supported by:

- The Rev. Woodworth B. Allen, Priest (Retired)
- The Rev. Jean Waldron, Deacon (Retired)
- John Fulton, Musician
- Courtney Ryan, Parish Administrator
- Arlene Brutell, Lay Ministry Associate
- Ryland Lackard, Sexton

Courtney Ryan was a paid staff member and the Rector's wife. The Lay Ministry Associate paid position (\$3,600).

# Women's Fellowship

Women's Fellowship will have their next meeting September 21st.

Christmas or gift items for the **Holly Fair**, which is scheduled for **November 16th** this year, can be shared via pictures or by bringing them in for "Show and Tell."

The important part is that we would appreciate everyone doing something for this event. If you have not started crafting or making or looking for items we can sell; please do so soon! I'd like to have several Gift baskets available for Raffle. Please let me know if you are going to gather items for a themed one, or several.

Lorraine Devereaux and Louise Andrews have started creating wreaths and table decorations. They are looking for ladies (and men) to assist them. This year, Louise has chosen to set up a portion of Santa's workshop at her home. Please talk with her and arrange your time to work there!

Our September meeting is very important as we will discuss some of the details for the Holly Fair. So please try to join us Saturday, September 21st!

Enjoy the end of your summer and stay busy!

# Garden Happenings!

“Greta, why are there so many birds out on the garden grass? I’m not sure I like the looks of those beaks. They are scary looking and it is just plain weird to have beaks and legs the same pink color and they have really beady eyes. It looks like they are staring at me; and I don’t like them poking their beaks into the sand. It just looks strange.”

Greta replied: “Ah.... ahem. Little One, perhaps they think you are strange with your jointed frog legs and tin body that is painted several shades of green. And you carry your sign everywhere!”

“Or, perhaps we are the strange ones. After all we stay here most of the time and don’t move around much.” Groggy had to add his thoughts.

Jackson, still standing tall, decided to join the conversation: “I believe we are all strange, each in our own way. Additionally, I think people are strange. Some have red hair some have blond, others have dark hair, or even white hair. They wear it long and really short, curly and straight. Some have very light skin and some have very dark skin, some like to wear dresses and some wear pants, some wear shorts and some even wear wild socks! The list goes on and on... glasses or no glasses, some ladies carry purses others don’t. Some people even change their appearance from day to day; they can look one way one day and totally different the next.”

“Oh, and some wear dresses in the morning and shorts in the afternoon, I wish I could change clothes every day.” Lamented our very statuesque praying frog named Greta.

“Buzz,” the big red bee added: “My friends, those are differences and not very strange at all. Some differences are things people cannot choose nor can they change; they are individual traits. Clothing and hair color or styles are choices humans make. But, I just want to go on record and say: it is blazing hot out here!” Bea

settled down and folded her wings and gave a huge sigh. “But we do have lovely shade here in the church yard.” Greta remarked. “And occasionally we get sprayed with the cool hose water.”

“That is not helping me much, the sun has made it brutal up here on the hill. I feel for the men and women that work outdoors in this heat. Summertime is always pretty warm but this year it is unrelenting!” Draco, the dragon fly spoke up from up in the tree.

Jackson spoke up: “I heard the Cemetery Board is taking care of their workers by giving them Gatorade and asking them to return to Coffey Hall for cool down breaks. I see them carrying around those Gatorade bottles and just now they ducked into Coffey Hall for break time—where I think it is air conditioned.

“Oh, that is really good to know,” stated Bea. “I have stopped flying around so much. The very pretty purple orchid that I just love; the ones down the street; have turned brown and dropped off their stems. So I have no

*(Continued on page 15)*

# Garden Happenings!

(Continued from page 14)

motivation to fly all around the neighborhood.” But it is nice of them to do that and be both kind and responsible for the welfare of their employees! I do have a secret to tell you though...”

“Bea, it is too hot to even move around in this heat!” Greta exclaimed.

“Ah, Greta, that is where you are wrong. I like to fly over to the cemetery and enjoy the artificial rain that they have. It’s from the sprinklers! You should hop over there and try it sometime. I get cooled off just being near the spray.” Bea said, sharing her secret. “I think that is why you see so many Ibis birds, Little One. They like to cool off too; and the church Campus is ripe with bugs they like to eat!

Freddy, looking a tad guilty replied: I enjoy that sprinkler too Bea; but I really like it when our garden caretakers fill the pond! As soon as Mr. R. adds water and then turns his back ... I’m in there!”

“Me too” said Little One.

*Well, the Garden Critters are surviving the heat in their own ways; I sure hope all of you are too. Remember, school has started, so be aware of our children -- drive carefully! And... Be Kind!*

## Rally Day is here!

On Sunday, September 8th, our All Saints' children will gather in church at the 10:00 a.m. service and march out with the Sunday School cross as a new Sunday School year

[This Photo](#) by begins!

The children and I will all meet and greet in Houg Hall, participate in a craft activity and then set up for our fun annual Ice Cream Sundae celebration.

Everyone from both the 8:00 a.m. and 10:00 a.m. services is invited to our Ice Cream Social. This celebration is our way of thanking the congregation for your ongoing support of our children and Sunday School program. So, if you are an 8:00'er, go home/out for breakfast and then return at 11:30ish for ice cream! 10:00'ers, you will get your dessert first! We

Our three hard working volunteers — Andrew (partly hidden), Joe (center), and Graham (front).

hope everyone will be able to attend so you can get to better know our wonderful children.

This year, our curriculum will continue with our weekly study of each week's Sunday Gospel and different Bible stories. Using the Bible, arts and crafts, books, music, discussion and various websites, the children will be able to see how it relates to their lives. We often talk about, "Living Like Jesus." When having to make a decision and stopping to ask, "What Would Jesus Do?", children can make more thoughtful choices.

Another aspect of our Sunday School program is to have the children reach out and extend a helping hand to our church and community, and this has already happened! On August 24th, Andrew and Graham Johnson and Joe Gorman, our newest youth member, spent a couple of hours scrubbing the church sign down at the bottom of the hill. It took a lot of water, Mr. Clean, and muscle power to remove a year's worth of sunbaked bugs off the sign and individual letters. Thanks so much, guys!

Our nursery is open during the 10:00 a.m. service and provides developmentally appropriate "toy" fun, music and stories, for children under the age of five. Miss Lexie

Laverty, a Jensen Beach High School senior, volunteers every Sunday as our Nursery Teacher. You are doing a great job, Lexie! Owen Johnson loves coming to see Miss Lexie!

# Sunday School

(Continued from page 16)

Even though our Sunday School is for K-5, some 6th graders like to still attend and act as assistants. Another option for our Middle School children is to participate as an acolyte during the 10:00 a.m. service.

We are looking forward to a busy, fun year! So spread the word to your family and friends about our wonderful Sunday School Program!

**Karen Neff**  
Director, Children's Christian Education

Thanks so much, Joe, Graham, and Andrew. The sign looks great!
