GUEST CLERGY

In August, we were blessed to welcome the Rt. Rev. Dr. Julius Makoni and the Rev. Dr. Patsy McGregor as guest celebrants and preachers while Father Tony was away on a well deserved vacation.

Their Homilies are available on our All Saints' YouTube channel. We thank them both for serving our congregation during the month of August.

WELCOME! Speak with a Greeter or an Usher any Sunday for information about All Saints' or contact Marilyn Mawhinney, our Welcome/Hospitality Host, at 772-334-4176. If you're visiting us for the first time, the Ushers will provide you with a welcome gift.

BAPTISMS and pre-baptism classes are offered throughout the year. A person of any age may receive the sacrament of Holy Baptism.

THE SACRAMENT OF MARRIAGE is a rite to be cherished in our historic church. We require a minimum of 120 days notice to our office, as well as premarital counseling. An initial meeting with Father Tony should be scheduled by the couple to review the process and any special circumstances before a date is scheduled. Please contact Jenny McDonald at the office, 772-334-0610, or via email, jennifer@allsaintsjensenbeach.org

FUNERAL OR MEMORIAL SERVICES in our church may be arranged jointly with the Cemetery and Church Offices, and may include the celebration of the Holy Eucharist.

To **TRANSFER YOUR CHURCH MEMBERSHIP** to All Saints', please contact Joan Whitting, Membership Secretary, joan@allsaintsjensenbeach.org

MESSAGE FROM THE RECTOR

My Dear Friends:

After a wonderful vacation, I return refreshed, grateful, and eager for all that lies ahead for our church family.

My time away allowed me to be with family and friends, reconnect with people and places dear to me, attend to family matters, and enjoy much-needed rest including time at the beach. It also reminded me what a gift it is to be present with those we love. I return to All Saints' with an even deeper appreciation for our parish and the lovely community we share.

September begins a new season in the life of our church. After summer's quieter pace, children and families return to Sunday School, Adult Bible Study resumes, and our organizational meetings, activities, programs, ministries, and events begin again. These gatherings help us deepen our faith, build relationships, serve our community, share our gifts, and strengthen the bonds of our parish family.

We are already welcoming new friends in worship, and we pray they feel valued, loved, and at home among us. Let us greet them warmly, invite them to Coffee Hour, and take time to learn their names. The church grows not only through programs and buildings, but through relationships. We also eagerly await the fall return of our northern brothers and sisters; our parish family never feels complete without them.

Much is also happening on our campus. The replacement of **Coffey Hall's roof** is well underway, and we hope to complete it by the

middle of September. I am deeply grateful to the Women's Fellowship, the Endowment Board, and congregation members whose generous contributions made this work possible. Their support reminds us that faithful stewardship grows because of many people caring for the resources entrusted to us.

We also look forward to installing a **fire suppression system** to protect our beloved church building, an important investment in preserving our parish facilities. Through the extraordinary generosity of our parish family and friends, we have raised more than \$115,000, including the two matching grants of \$25,000 from the *Rommel Wilson Memorial Fund*. To everyone who gave through a large gift, a modest donation, a special offering, through prayers or simply by encouraging this effort, I want to say again, "Thank you." You have shown

what a community united by a common purpose can accomplish. Caring for these facilities helps ensure that All Saints' can continue its ministry and mission for generations.

As we look ahead, remember that God calls us to be the Church, not merely a gathering place, but a faith community where people encounter Christ, find belonging, grow in faith, and go forth to love and serve. For we seek to "Live like Jesus, by loving God and all people."

Let us enter the fall season with open hearts, grateful spirits, renewed energy, and a readiness to see what God is doing among us. I look forward to an exciting season at All Saints' and to all that God has in store.

With love and every blessing,
Father Tony

FIRE SUPPRESSION SYSTEM APPEAL

The following is Father Tony's July 25, 2026, letter thanking the congregation for the successful Fire Suppression Appeal.

My Dear Friends:

Just over a month ago, on June 20, I stood in this same place to speak with you about the building where we gather as a faith community for worship and fellowship.

I spoke about the vulnerability of this wooden structure, which has no fire suppression system, and the significant risk our congregation has carried for many years. I also shared the opportunity to change that reality through the generosity of a benevolent foundation that supports deserving Episcopal churches and other charitable institutions. The Foundation offered us two grants of up to twenty-five thousand dollars each, provided we raised two matching gifts of twenty-five thousand dollars each. I noted that, with the Foundation's grants, our matching funds, and gifts already received, the fire suppression system would be fully paid for.

We invited every member of our congregation and friends of All Saints' to prayerfully consider giving or pledging toward the fire suppression system.

On behalf of the Wardens and Vestry, I am delighted to share that we have surpassed our \$50,000 goal for the Fire Suppression System Appeal. By doing so, we have secured both \$25,000 matching grants generously offered by the Foundation. We have received the first grant and expect the second shortly.

I want to express our deepest gratitude to everyone who contributed to the installation of a fire suppression system in our church

building. We are grateful for the spirit in which you responded to this need. Your generosity calls to mind the apostle Paul's words in 2 Corinthians 9:7: "Each of you must give as you have made up your mind, not reluctantly or under compulsion, for God loves a cheerful giver."

Your generosity is a beautiful expression of your love for All Saints' and your commitment to preserving this sacred place. Here,

generations past have gathered, we gather today, and future generations will continue to gather to encounter the living God, hear the Good News of Jesus Christ, share in the Holy Eucharist, and welcome all who come through our doors. This is also a place of ministry, fellowship, and outreach to our wider community. Every gift, whatever its size, helped us reach our goal

and revealed the remarkable generosity and faithfulness of our parish family and friends. By supporting this important measure of protection, you are helping safeguard not only a building, but a spiritual home and place of ministry for generations to come.

Many thanks to the Wardens and Vestry for their leadership, especially our Treasurer, Bill Winsemann; Assistant Treasurer, Pam Hurd; and Steve Hatch, who led and facilitated this project. We also offer our profound thanks to the Directors of the Rommel Wilson Memorial Fund, whose willingness to support this effort has brought the long-awaited fire suppression system closer to completion. Last, but certainly not least, we give thanks and glory to God for

ENDOWMENT

Are the leaves turning yet? Ha! Fall doesn't even make the suggestion of an entrance until at least October but your Endowment is emerging from the summer doldrums in a big way. If you want to see our work, just take a look at the building materials in front of Coffey Hall. Yes, they are finally getting a

new roof and up to \$10,000 of the cost is coming from the interest that has accumulated from the contributions made to the Endowment. Money in our investment portfolio comes from members of the Heritage Society who have contributed at least \$1,000 and other parishioners who are Endowment patrons, that is, those who have contributed \$250 and more. Are you a member yet? If not, please talk to one of our Board members to find out how your gift can bring All Saints' into the 21st and 22nd centuries. They are Pam Hurd, Bill Winsemann, Elyta Watkins, Jan Rajki, Ralph Painter, Wally Wallace and Wanda Beymer.

I would like to announce the retirement from the Board of Deacon Alan Gellert. He has provided insights and experience to our Board for many years and is taking a well deserved rest so he can continue to be our Assisting Deacon and give that position his all. Thank you, Deacon Alan!

The Endowment Board had a meeting at the end of July. Two parishioners have volunteered to join our Board and we are hoping they can join us soon. Other items discussed were the roof contribution, the purchase of more high-top tables for Houg Hall, updating our membership lists for the Heritage Society and Endowment Patrons and lastly, a preliminary discussion of the reception that the Board hosts each January with an interesting guest speaker. This event is open to all congregants. I look forward to giving you those details as they become available.

We are honored to be able to assist in the growth of our beloved All Saints'. What better way to honor the glory of God? "Live like Jesus, love God and all people." As our bishop said at his last visit, "That says it all."

Respectfully submitted with blessings,

Elyta Watkins

MEN'S FELLOWSHIP

Our **next meeting** is **Monday, October 5**, at **6 p.m.** in Houg Hall. All men of the parish are invited. We have to pick dates for next year's activities.

I will be returning to Florida in late September and am looking forward to our lively discussions. ***Traditionally, I have viewed positions of responsibility in the church as just another job and time consuming responsibility. A fishing buddy of mine proposed that these positions be viewed as privileges to serve the Lord and one another.***

**IT IS ALWAYS A
PRIVILEGE
TO SERVE GOD**

It is interesting how a changed word or attitude can change our perspective.

Just imagine if all ministry leaders,

volunteers, and vestry positions were coveted as privileged opportunities to serve our Lord and one another. ***It is an old saying that "Jesus loves a cheerful giver", maybe He also loves a cheerful volunteer. Food for thought.***

President

FUNDRAISING

After taking the summer off we have activities scheduled to begin in the fall.

1. **Music Bingo**—Friday, October 23, at 4 p.m.
2. **The Christmas Card Tree** will be available again the four Sundays of Advent.
3. **The 4th Weight Loss Competition** will start January 1, 2027.

We will have a meeting in mid-October to discuss plans for 2027. We need to keep in mind that Lent starts early next year and that will affect our schedule. With that in mind, I think we will need to run an activity during Lent.

I would also like to start something new this year to get more people involved with each activity. I am not good at delegating and I don't want to lead this merry little group forever. I will ask for volunteers from the team to run each activity we schedule. That way we will all learn what it takes.

So put on your thinking caps and come to the October meeting with ideas. As always we are looking for more members and new ideas.

WEEKLY FOOD COLLECTION

I want to thank Jerry and Natalie Walters for delivering your food donations to House of Hope while I've been away.

Many of us shop at Publix and make use of the "buy 1 get 1" offers. If you don't need the second item consider donating it. Think of it as **"buy 1 give 1."** Also, if you clean out your pantry in spring or fall many outdated items are still

usable, especially canned goods.

Always needed items remain pasta, rice, sauce, peanut butter, and beans. "Pop top" cans are always preferred if available and no glass containers if possible. I want to thank you for your continued generosity. Remember, hunger never takes a day off.

WOMEN'S FELLOWSHIP

Children are back to school, stores are in full regalia of Fall decorations and Trick-or-Treat candy, and Women's

Fellowship is gearing up for the new season.

Our first meeting is **Saturday, September 19**. The meeting will open at **10:00 a.m.** for Social Fellowship with business to follow at 10:15 a.m. Of primary concern is planning for the Welcome Back Brunch, October 17. For those of you still enjoying your summer vacation, you can let us know by email how you want to contribute to the menu.

In July, our CD matured and \$10,000 of the funds were transferred to the Church account for the repair/replacement of the roof on Coffey Hall. Repairs to the "She Shed" were completed and thanks to Louise Andrews and her team, storage areas were cleared, reorganized and made ready for upcoming needs. You are the BEST, Louise. And you even found time and energy to work with the Garden Club Plant Sale! How blessed we are to have you in our lives.

Outreach checks totaling \$10,500 were sent to ten organizations serving our local and church charities. These funds were raised at the November 2025 Holly Fair. One of the programs receiving funds, *Beyond the Label*, with Bernell Adamson and her team will speak to us at our October meeting.

Bernell will excite you with her enthusiasm and drive in providing hope, support and opportunities for children and young adults with disabilities to learn, grow and thrive. (Marilyn Mazza reminds us that it is not too soon to begin work on baked, sewn or collected items for this coming Holly Fair in November.) Please put these dates and events on your

calendar for the 2026-27 Season: (Meetings will open at 10:00 a.m. for Social Fellowship, business to begin at 10:15 a.m.)

2026

Sept. 19	Initial meeting
Oct. 17	Meeting, appointment of Outreach Committee, Brunch
Nov. 14	Holly Fair (<i>meeting moved to December</i>)
Dec. 5	Holiday gathering, planning for High Tea

2027

Jan. 16	Meeting, Vote on Outreach Recommendations
Feb. 6	High Tea
Feb. 20	Meeting, <i>if needed</i>
Mar. 20	No meeting (<i>Eve of Holy Week</i>)
April 17	Meeting
May 15	Closing meeting and Lunch

TRUE FUND

The TRUE Fund has been inactive for a while. Deacon Alan handled the Fund for many years and his quiet yet consistent efforts helped many people in financial difficulty.

I would like to thank Father Tony for appointing me as the administrator of the Fund, and to the Vestry for approving the appointment.

TRUE stands for "Towards the Relief of Unexpected Expenses" and provides a gift of up to \$200 to anyone in need, both parishioners and the general public. There is a process to review requests and funds are distributed by check to third parties only, no cash is distributed. Typical requests are for assistance with electric bills or car repairs, but not limited to these.

The contributions for the TRUE Fund come from donations, primarily from parishioners. The TRUE Fund is not a part of the general budget process. If you would like to support this effort it should be in addition to your regular pledge to the church. I do not want to "rob Peter to pay Paul."

The Fund will become active in October when I return from New Jersey and more info will follow as I become acclimatized to this new role. If you have any questions please feel free to contact me or Father Tony.

DAUGHTERS OF THE KING

It is soon time to begin a new church year. Soon the church will be full with the return of our parish family to help us in our journey to "Live like Jesus, love God, and all people" The

Daughters of the King had a quiet summer. We will resume our prayer meeting on October 6. Please remember to reach out to any member with prayers needs.

"God is already at work, even when we cannot yet see what He is doing" Isaiah 43:19

On November 1, 2026, All Saints' Day, the DOK will admit Donna Baumgarten into our chapter. We are happy to welcome a new member of our **prayer, service** and **evangelism** group. If you are interested in a quiet role of worship please consider becoming a member of the Daughters of the King.

Pray without
ceasing.

PEERING INTO THE PAST

Fifty years ago was a busy year !

A special meeting of the vestry was held on **May 19, 1976**, and the opening of bids for the expansion of the Church was the action of the day. The bids ranged in price from \$13,600 to \$17,960. The low bid was accepted.

In June 1976, the parish celebrated as one of the acolytes, Brenda Sue "Susie" Fulton, was named the Martin County High School Valedictorian. She reported as an incoming member of the Class of 1980 the United States Military Academy at West Point, the first class with women. In an interview with the West Point Center for Oral History Sue said, "She was very active in the Catholic Church while a Cadet. This interview focuses on the religious aspects of her life"

In **September 1976**, the General Convention of the Episcopal Church in the United States meeting in Minneapolis authorized the ordination of women to the priesthood and the episcopate.¹⁻²

The House of Deputies prepares to vote on women's ordination to the priesthood and the episcopacy in 1976 before a packed gallery, visible on the right. Photo: *Episcopalarchives.org*

Also in September, the house across the street from the parish hall was purchased for Christian Education and outreach purposes. This house, now known as "Bethany House," has provided a home for the Thrift Shop, space for our pre-school and the sewing

ministries of the Episcopal Church Women.

The Altar Guild is most grateful to Adam Koblyski for his repair work on the wall underneath the front windows. There were small splits in the wood paneling, that only God and the Altar Guild would find. Adam repaired it in only 10 minutes. Thank you, Adam!

the blessings he continues to bestow on us and for making all things possible. Thanks be to God!

Next Sunday, August 2, from 9:00 to 9:45 a.m., between the two services, Graham Cullenberg, Fire Sprinkler Sales Associate at Pye Barker Fire and Safety, LLC, will join us to discuss the fire suppression system and answer questions. We encourage you to attend this informative presentation, and we thank Graham for agreeing to lead the forum.

Thank you for believing in the mission and ministry of our beloved All Saints'. Thank you for your generosity, prayers, and continued support. May God bless you abundantly for your kindness and stewardship, and may the Lord continue to use this parish as a beacon of Christ's love and grace in our community.

With heartfelt gratitude, love, and every blessing.

SUNDAY SCHOOL

Summer is over and the new school year has begun! We are ready to learn about Jesus and celebrate Him through stories, arts and crafts, videos, music and movement. We are also eager to “Live like Jesus” through our church and community outreach.

Children K through fifth grade are encouraged to attend during the 10:00 a.m. service. Sixth graders have the option to attend as mentors/assistants or can remain in the 10:00 a.m. church service.

We have a wonderful acolyte program, under the direction of Dr. Chris Jones. It is open to children who are in the sixth grade through high school. *(See additional information on this page about being an acolyte).*

Our nursery will be open during the 10 o'clock service for infants through four-year-olds.

Our **Sunday School Rally Day and Ice Cream Social** will take place on September 13, the Sunday after Labor Day, immediately after the

10:00 a.m. service. We would like ALL children (K - Middle/High School) to be there to help with our annual Rally Day Ice

Cream Social to thank the congregation for their ongoing support of our Sunday school program.

Delicious ice cream with chocolate syrup, sprinkles, whipped cream, and a cherry on top will be served after the 10:00 a.m. service. What more could you ask for? Those who attend the 8 o'clock service can go out for breakfast and then return for dessert at 11:30 a.m.!

We look forward to seeing everyone on the 13th. Blessings to you all!

Director, Christian Education for Children

All Saints' Acolyte Program

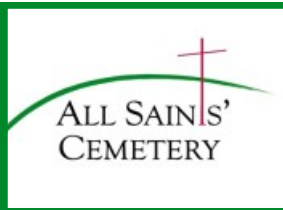

We have a very active acolyte program at All Saints' Church under the direction of Dr. Chris Jones. Currently Dara Hart, Andrew Johnson, Graham Johnson, and Lyle Laverty, are our serving acolytes and we would love to have more! But what exactly is an acolyte?

Children and youth serve as assistants during worship services, by helping with tasks, such as carrying candles, the cross, and assisting the clergy at the altar. This ministry is designed to enhance the worship experience and instill a sense of service to the Church community. Serving as an acolyte is considered a commitment to the church. Training is provided to ensure that acolytes understand their roles and perform them respectfully and diligently.

Participating in an Episcopal Church acolyte program offers active engagement in worship, helping young people feel more connected to their church community. It also fosters intergenerational relationships, allowing youth to bond with adults and peers, and enhancing their faith formation and sense of belonging.

If your child would like to participate, please contact the Church Office. Thanks!

ALL SAINTS' CEMETERY

Our Cemetery is blessed with a beautiful pond that at one time housed a small fountain. Over the years, the fountain became clogged and needed to be replaced or retired. In collaboration with Iris Langran, who installed the original fountain, we've re-missioned the pond to be a natural peaceful fish and lily pad pond, deep in the heart of the Serenity Garden.

Our first attempt at the fishpond provided lunch for the local Blue Heron, who we named Grabby. We figured he may be friendly with Groggy and Greta but we still didn't want him to continue to munch on the little fishies in our fishpond. So, we installed some lily pads that were being pruned from one of our crew's personal pond to provide some shelter in the pond. And we purchased a net to cover the pond and keep out Grabby and any of his

friends who thought our fish would make a good lunch snack.

When we restocked the pond, we used 5 cent "feeder fish," instead of expensive decorative koi or goldfish. These little guys and gals were meant to be a meal for a pet, but we gave them a safe space to grow, and they've been thriving now for over two years (they've gotten bigger). We now have a tiny expenditure on fish food (\$15/year) in the property maintenance budget.

With three benches nearby and lots of shade trees it's a lovely place to relax. As it begins to cool down this fall, think about popping by and visiting our serenity pond.

GARDEN HAPPENINGS!

"Good morning, Greta!" Little one was looking all over and noticed Greta was awake. He also realized she was watching him, with a funny look on her face. "What?" he asked.

Greta replied: "You are just sitting there holding your sign, but your head might roll off if you keep trying to see behind yourself."

"Oh, I'm looking for Flora, I haven't seen her in days. That worries me. You remember when Bea disappeared....."

"Oh, Little One, I remember that. However, Flora has been here, she has been up in the tree because she likes the shade; and she likes to be able to look all around. It's a good vantage point. But we should ask her to tell us about her latest trip when she gets back."

"I'm glad Flora is still around, that's good. Hey Jackson, it's hot! Do you want to go see if there is water in the pond?"

"Sure, that sounds like fun." Jackson was eager to relax in the pond, and he replied: "Let's go! The handy man that does lots around the gardens keeps the pond full. So around the garden bed they went, and they both slipped into the water. Little One disappeared under the leaves of the water plants; and when he surfaced he climbed onto a large leaf. Jackson surfaced and blew bubbles claiming: "This is the life!"

"Oh, it is the best way alright, but, why do you

limit it to just summer? We have great weather most of the year. Oh, and I'm staying here all afternoon! How about it Little One?"

Just then, Flora made a crash landing right in front of Greta and Groggy. "Ahh! Help he's going to get me!" She struggled to her feet and took off again flying to a nearby tree branch.

"Good grief! That was not your usual graceful landing. Flora are you okay?" Greta questioned.

"That big bird with the long beak, longer neck land huge wing span...he's back. His beady eyes were glaring at me and his sharp beak was snatching at me like I was his dinner." Flora sounded like she was now angry. "All I did was say "Hello."

"Well that was aggressive." Groggy remarked.

"Him or ME Groggy? Last time I checked saying 'Hello' was welcoming. I was flying around the columbaria and flew over toward the pond in the gardens. That bird..."

Draco in his deep baritone voice stated a fact. "That's Grabby, the Heron. I'm sure he was upset at the cemetery grounds staff, not at you, Flora. They feed those fish so they might have looked like a tasty meal; but the staff put a net over the pond. So that free lunch is no longer accessible to him. I bet he is more than upset. He is hungry."

"Aww shucks," Groggy replied; "I liked to take a long leisurely swim in that pond. But I always found someplace to hid when the heron came swooping down out of the sky."

"Greta, when you are hungry what do you do?" Draco asked, though he probably already knew; as he sees most happenings from his spot on the tree.

Greta sighed and began: "At noon time, while the carillon are playing a hymn; I pray to God for sustenance. Then stick out my tongue. I

GARDEN HAPPENINGS!

usually don't have to wait long. God provides me with a fly, or a bug and I scoop them into my mouth and savor the flavor. Sometimes one just happens to be flying by and I quick as a wink snap them in to my mouth. I have a very fast tongue. At dinner time, and I like a late dinner; when the mosquitoes are best. Every now and again one of the young lizards goes after the mosquitoes as well. Um, that lizard might not make it home if they are not quick."

"Greta, I'm surprised at that. You often have the little lizards sitting on you head!" Kevin had come around the edge of his garden spot and closer to the other garden friends: and was apparently shocked.

Greta chuckled a bit and remarked: "They tickle me too."

"But..."

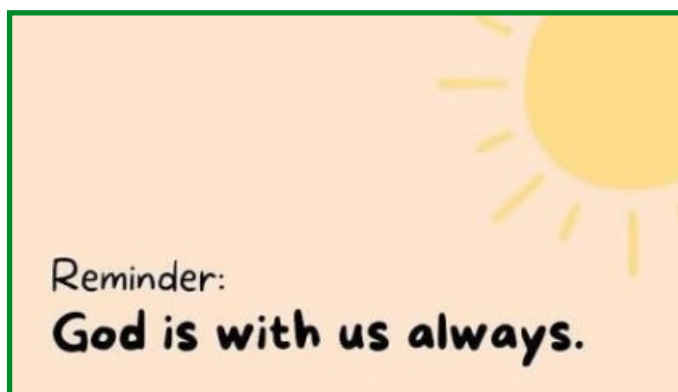

"But nothing - I take what I need from the abundance- just don't get in my way when the juicy mosquitoes are around!"

Changing the subject Draco asked. "Groggy, did you hear Rev. Patsy's sermon on Sunday?"

"Well, I heard parts of it... but when she said there was homework, I went back to sleep."

"Oh that's too bad," Kevin said. "Rev. Patsy had some very good thoughts. Like: 'Does God have the steering wheel, or is he in your passenger seat?' Now that makes sense to teens and adult humans that drive cars or trucks. But to us, well maybe not so much."

"It sort of applies to me." Flora went on to explain. "I was flying erratically because I was scared. Instead of asking God to guide me and protect me."

"I did not get that one." Greta remarked; "But I now understand; thank you Flora. I liked her quote of: "We are gathered together in unity by the Holy Spirit."

Draco was quick to say: "Ah Greta that is great--but finish that with the next line... 'So that we may show forth God's power among all people.' That is very powerful!"

"I liked the reminder that God is always with us!" Kevin replied. Hmm, I thought; I think they were listening. Thank you Rev. Patsy!
