

MEMORIAL J. Nations

We believe God made all nations from one man, Adam. These nations were sundered by sin at Babel. But God, by the cross of Christ and the outpouring of his Holy Spirit at Pentecost, is reuniting and reconciling the nations, drawing them into one Church, the Body of Christ. We, therefore, detest and repudiate all forms of nationalistic and racial hatred, prejudice, segregation, discrimination, and persecution, including anti-Semitism, oikophobia, white supremacy, Critical Race Theory, and kinism. We seek to unite the nations in the worship of the triune God, sanctifying all peoples, languages, and customs to His glory.
