

Missionary Highlights Tuesday, November 14th at 5:30 pm. in Rm. 205. **Rima Butler** - Plan now to attend!

Each month our Missions Team is working towards Highlighting our Missionaries and potential future Missionaries.

Come watch a video from our dear sister **Rima Butler** who is serving in Nepal as a medical missionary. Rima was raised at FBC and served a rural community in Alaska as a health provider before moving to Nepal. Her parents, John and Esther Butler, will be in attendance to answer questions and share about their experience visiting Rima earlier this year.
