# EASTER BEFORE & AFTER

## ACTS 4 & 5

### Four characteristics of resurrection-fueled people:

1. \_\_\_\_\_

When they saw the **courage** of Peter and John and realized that they were unschooled, ordinary men, they were astonished and they took note that these men had been with Jesus. Acts 4:13

“...we cannot help speaking about what we have **seen and heard**.” Acts 4:20

2. \_\_\_\_\_

All the believers were **one** in heart and mind... they **shared everything** they had. With great power, the apostles continued to testify to the **resurrection** of the Lord Jesus. Acts 4:32-33

3. \_\_\_\_\_

Peter and the other apostles replied: “We must obey God rather than human beings! The God of our ancestors **raised Jesus from the dead**... We are **witnesses of these things**...” Acts 5:29-32 (The resurrection of Jesus features in every sermon in Acts)

4. \_\_\_\_\_

...they were teaching the people and **proclaiming in Jesus** the **resurrection of the dead**. Acts 4:2

The resurrection means the \_\_\_\_\_ thing is never the \_\_\_\_\_ thing!

### QUESTIONS

#### For reflection or discussion

1. Would you call yourself courageous or cautious? Read Acts 4:1-22. Why do you think the resurrection of Jesus turned Peter and John from fearful to courageous? How can it have the same effect on you?

2. Read Acts 4:32-37. What characterizes the believers in these verses? Why would the resurrection have made them suddenly more generous? How can it have the same effect on you? Look for ways to show compassion today.

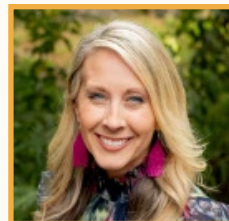

3. What is the difference between hope and wishful thinking? Read Romans 8:11,18-25. How does the resurrection of Jesus give hope?

Read 1 Corinthians 13. Next weekend we begin a series in what many consider the most famous chapter in the Bible! Do you think people today need to relearn these characteristics of love? Which is most challenging for you?
