VERSE 1

With fear and trembling,
We approach your throne

The roar of heaven,
A sound for you alone

Hear them singing
Join them singing

CHORUS

Holy, you are holy
There is no one like our God
Crowned in glory, endless glory

And you reign above it all
King of Heaven, My Salvation
Worthy is the spotless lamb
My allegiance, my affection

All for you, the Great I Am

VERSE 2

Your love is the reason
I can enter in
You covered my ransom,
Bearing all my sin
Halle - lujah
We sing Halle - lujah

CHORUS

BRIDGE

All hail the King
The Lord of Lords
The Risen one
Forevermore
First and the last
And you will reign forever,
Reign forever
