DISCOVERY LAND

This quarter, we will learn about the amazing life of the apostle Paul in the book of Acts and see God at work spreading the truth of our Savior to the ends of the earth. Like Paul and Silas, may we all tell others about Jesus. When we, like Paul, trust in God, we can accept the trials that confront us and can say, “I will trust God to protect me.”

**Bella H, Jude F, Eden O,
Eleanor F and Titus F.**

If your child has a birthday and is not listed, please let us know we like to celebrate with you and give them a small prize!

**FINE ARTS CLUB
Wednesday Evenings**

7pm-8pm

We meet in Room 13/14 and practice for our next performance on May 12th – Mother’s Day AM

We could use a few more volunteers!!!
Are you willing to serve?

When you serve in children’s ministry, you are investing in the very souls of children. Only God knows what they will encounter this upcoming week, month, year, or throughout their lives. But one thing we can be sure of – with a deep and personal relationship with God, they can confidently know God is with them, and they can make wise choices.
