## DISCOVERY LAND

This quarter, we continue our journey through the Bible as we study the book of Luke. As we learned in Genesis, God had promised a Savior to the world. Just as believers today look back and trust in that Savior who came and died for our sin, the Old Testament patriarchs looked ahead and believed in God's promise of the Savior who would one day come. Our study in Luke reveals how that promise came true. It is our prayer that, through this study, many children will believe in our Lord and Savior, Jesus, and that those who believe will grow in the grace and knowledge of Him.
