DISCOVERY LAND

Our study of God's Word in the last two quarters has taken us through some of Israel's darkest days of disobedience. From the reign of the judges, through the establishment and the division of the kingdom, to the rejection of the prophets, God showed His faithfulness to His chosen people. Through this study, we learned that God is at work even when life seems the bleakest. This quarter, we move on to the New Testament where God fulfills His promise of a Savior to the world and every week we will learn something new that ignites our desire to celebrate Jesus!.
