# DISCOVERY LAND

What is Easter? Is it a time to celebrate the Easter bunny and painted eggs? Is it a time to hide baskets or eggs in the yard? What is it to you?

Easter for the Christian means so much more. Easter is a time to celebrate the salvation that God has given to mankind. If you know Christ as your personal Lord and Savior, Easter is a time to think about your faith and praise the Lord for your salvation. It is a time to think about all the Lord has done. It is a time to think about the cross, and what it did for mankind. Maybe you have never known what any of this means. Over the next few weeks, we will study what Easter means, why we celebrate Easter, and how salvation came to man.
