DISCOVERY LAND
Empowering Our Children Through Sunday School

This quarter's curriculum highlights God's power through biblical figures: **Gideon** demonstrates God's strength over the Midianites. **Samson** reveals the might God grants. **Ruth and Naomi** exemplify God's steadfast love. **Samuel** shows how God communicates directly. **Saul** illustrates God's equipping for leadership. And **David** embodies courage and faith in God's service.

These narratives are more than stories; they are truths that shape our children's understanding of God. It's our responsibility as parents to ensure they engage with these teachings. Sunday school provides a structured environment where children can learn, grow, and build a foundation in faith. By prioritizing Sunday school, we partner with the church in nurturing our children's spiritual journey. Thank you for faithfully bringing your children each week, setting a powerful example of commitment and love for God.
