

## Our Church Matters

### Our Mission: Growing Together in Christ Through Worship, Fellowship, Witness and Service

Dear RUMC Family,

For centuries, the Christian church has spent the forty days leading up to Easter in a time of spiritual preparation. This season, known as Lent, invites us to walk with Jesus through his final days on earth—examining our own lives in the process, and deepening our connection with God.

On **March 5**, we mark the start of this sacred journey with Ash Wednesday—a service of worship that calls us to confront our own frailty and acknowledge our need for God. We will gather in the sanctuary at **12:00 p.m.** and **7:00 p.m.**, with the 7:00 p.m. service being live-streamed for those who cannot attend in person. As we are marked with crosses of ash, we'll be reminded simultaneously that we are dust and to dust we shall return *and* our God gives grace in abundance.

Throughout Lent, we will also have the opportunity to deepen our experience of Christ's Passion through worship and an accompanying Lenten study, which will be based on Amy-Jill Levine's *Witness at the Cross: A Beginner's Guide to Holy Friday*. Together we will experience the Crucifixion from the perspective of those who witnessed it firsthand: Jesus' mother, Mary; the Beloved Disciple; the Roman soldiers; the two criminals crucified beside Jesus; and others who were present at that pivotal moment in history.

Each witness offers a unique perspective, and I pray that in contemplating their stories, we will experience the depth and power of the Cross in new ways. As we reflect on the words and actions of those who surrounded Jesus in His final hours, we will come away with a renewed understanding of His sacrifice and a greater appreciation of His resurrection. The study, which does not require any additional reading, will meet in the 308 building immediately after worship beginning March 9. If you would like to participate, please email the church office at [rumcoffice1777@gmail.com](mailto:rumcoffice1777@gmail.com).

May this coming season be a time of renewal and transformation.

Peace and blessings,

Jen

## Trustees Update: RUMC Solar Project

In the December newsletter, Pastor Jen shared that our congregation is taking an important step in the stewardship of our resources by transitioning to solar as a renewable energy source. Here are some updates about the progress made to date toward the installation of our solar canopy:

- The contractor completed a GeoTech Report in December to determine the suitability of the soil for the vertical support columns for the solar canopy
- BGE completed a site visit in January to identify the proposed routing of the electrical utilities from the solar canopy and other solar equipment to the BGE interconnect location. We are now waiting for Interconnect permission from BGE.
- The design for the solar canopy has been completed, and the final location has been moved to the first double row of parking spots (the double row of parking spots closest to the cemetery). Originally the design was along the second double row of parking spots (closer to the dumpster). The solar canopy design was changed to take advantage of the shorter distance for the cable runs to the Fellowship Hall and the location of the BGE interconnect location. The general location of the solar canopy is included.

- TerraSol Energies, our contractor, is in the process of applying for permits through Baltimore County.
- Items requiring long lead-time, such as the solar canopy steel, have been ordered.

In the next month or two, you may see some holes (approximately 8 holes) drilled along the centerline of the parking spots where the canopy will be installed.

The holes will be covered for safety. Also, as the steel for the canopy comes in, it will be stored on the parking lot in a manner to limit the impact to parking.

For those who missed the December newsletter, here are some quick FAQs:

### Why did we choose a parking lot canopy vs. rooftop panels?

While our initial conversations were about the installation of rooftop panels, a review of the advantages and disadvantages led the Trustees and Church Council to support the installation of a canopy instead. A canopy will allow for easier maintenance and upgrades as solar technology changes in the coming decades. It will also offer shaded parking and the ability to provide electric car charging stations. Lastly, it means that we will not risk damage to our new sanctuary roof.

### How will we pay for the project?

We are blessed to have the Turnbaugh Trust, a generous gift provided by J. Walter and Eleanor Turnbaugh. While the TTT cannot be used for the church's operating expenses, it can fund capital improvements such as this one, as well as projects that align with the mission of RUMC's library. By signing the contract and beginning the permitting process in 2024, we also received access to large state and federal subsidies to offset our cost. The canopy is projected to become cost-neutral in year eight, but funding from the TTT will make it possible for us to see savings in our monthly operating expenses as soon as the project is completed.

### How much will we save with this transition to solar?

Initial projections suggest that we will save approximately \$28,000 per year in utility costs. However, the canopy design we have selected will provide more electric energy than our church currently uses. This offers exciting stewardship options going forward, including the potential to move away from gas for heating our buildings to a geothermal heating approach down the road. Ultimately, we could eliminate our dependence on non-renewable energy sources altogether.

**FOOD PANTRY HOURS:** The Food Pantry is only open on Saturday mornings from 8:30-11 am. No one is allowed in the Food Pantry. Volunteers will bring all the food out to the parking lot for clients. There will be no WaWa food available, however, Panera IS available, WaWa is NOT. **At this time we are NOT accepting donations of clothing or household items.** **Food pantry immediate needs:** 18 oz jars of Peanut Butter and boxes of Mac and Cheese.

**Drop off:** Saturday mornings between 8:30am-11 am.  
Also, Sundays in the fellowship hall bin.

**PLEASE DO NOT LEAVE DONATIONS OUTSIDE ANY CHURCH DOORS OR THE FOOD PANTRY**

### RADA Knives

Looking forward to summer vegetables and BBQs?

Are you celebrating a graduation, Mother's Day or Father's Day?

The UMW is selling Rada knives, BBQ utensils, and other kitchen gadgets. Order books and sample utensils will be available at the Fellowship Hall door on March 16<sup>th</sup> and 23<sup>rd</sup>. Orders will arrive before Easter.

**The RUMC Book Club will meet March 20th at 7pm in the Church Library.**

The RUMC Book Club met and had a lively discussion on *Wish You Were Here* by Jodi Picoult. Not unusual for this author but she threw a twist in the middle which led to an even livelier discussion.

This book discusses Covid 19 and NYC during the initial days of the pandemic. We also visited the Galapagos where we swam into underwater caves and pink lagoons (or did we?)

It was extremely cold and we appreciate all that came out. Our next date is March 20 and the book is *Theo of Golden*. This book is not on audible or any of the other services. The Rachel Bruehl Memorial Library ordered extra copies so you can see someone there about a copy. As of February 20th, there were four in the BCPL.

*Theo of Golden* is the story of a sojourner who comes to a small town in Georgia and proceeds to learn and teach love, faith, humanity and family. The journey is one the reader happily joins. So pull up a park bench, stole your bicycle and relax in the world that is Theo.

Also, the April meeting will be delayed until after Holy Week. It is now set for April 24 although no book has been chosen.

### Gift Card orders for March will be March 16th

Mark your calendars for March 16. That is also the last day to order Gift Cards for Easter giving. Many college students will not be home for Easter, so this is the perfect gift for them. Gift card order forms are on the Welcome Counter in the Narthex. Pick up an order form and make your selection. It is that simple, bring a check and order form on March 16 and your Easter Gift buying is done! We appreciate you purchasing Gift Cards from RUMW. We make a profit on every card we sell. And, there are so many to choose from. Use them for food, groceries, gas, restaurants and almost everything.

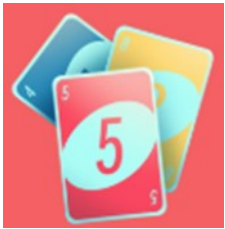

RUMW profit from this sale goes to many outreach projects.

Please buy and use RUMW Gift Cards.

Thank you.

## March

Family Ministries has teamed up with the RUMC Library to bring back monthly Game Nights. We held our first one on February 14 and about twenty people came out to play board games, eat snacks and pack up activity bags for children that accompany their parents to Mission of Mercy appointments. Our next Game Night is March 14. Doors open at 6 pm and you can bring a drink or snack to share.

We have lots of board games to choose from or you can bring a favorite from home. Lent will begin on Ash Wednesday, March 5, and begins a season of preparation and reflection leading up to Easter. This Lent, we are pairing up interested children and youth with adult prayer partners from RUMC. Prayer partners will get to know one another on March 2 after church, work on a prayer project together, then exchange information and promise to pray for each other for the six weeks of Lent. Committing to praying for someone else is a simple, yet powerful, way for young people to connect with others and with God.

In Sunday School in February, children learned about Jesus' early ministry. We tied those early stories to historical figures to observe Black History Month. When children learned about Jesus healing a woman on the road, they also learned about Vivien Thomas, who pioneered a surgical technique that corrected a fatal heart defect in babies. You can read a short biography of Dr. Thomas, along with others we learned about, on the wall next to our Sunday School room.

Please contact Cara Norris at 410-833-5440 ext.106 or [rumcfamilyministires1777@gmail.com](mailto:rumcfamilyministires1777@gmail.com) if you have any questions about Sunday School or Family Ministries.

New life defines the season of spring. Make this Easter craft that symbolizes rebirth.

### What you need:

- Brown paper lunch bag
- Scissors
- Pencil

### What you do:

1. From the bag's bottom, cut two 2-inch circles. Set aside.
2. From the sides, cut two 10-inch circles.
3. Draw a thin spiral on each large circle and cut along the lines. Crinkle spirals gently.
4. Starting at the center, wrap one spiral into a nest. Glue every few inches to hold it.
5. Glue one small circle to the bottom of the nest.
6. Repeat with the other spiral. Fill nests with jellybeans and give to a friend!
