Opening: What truths impacted you most from the sermon/passage? *Have a regular time and place to come before your God; Be specific and practical in your request of your King; In the face of great struggle, know that your God is with you and bring it with all you have; Battle exhaustion, knowing that it will be one of your greatest temptations.*

INFORM THE HEAD / STIR THE HEART

1. Please compare verse 40 with Matthew 26:41. How is the spirit willing, but the flesh weak?

2. When Jesus told the disciples to watch and pray, what temptations might He have been wanting to protect them from? What role does each (watching AND praying) have in helping us overcome temptation?

3. What understanding of God does it take to truly pray “not my will, but your will be done”? How might you apply that understanding to a struggle in your life today?

4. Please read Luke 22:42-43. How did the Father provide for Jesus even though His answer to Him was no?

5. Why would praying cause you to sweat heavily? How does Jesus' example of prayer inspire your prayer and worship?

6. Many people say they don't need to pray since God is going to do what He wants anyway. How would you use this passage to explain why prayer is necessary?
