To my Meadowbrook family -

Thank you so much for the beautiful flower arrangement soon after my father's passing. Losing a dear loved one was made easier knowing the love of a church family standing beside me. Meadowbrook is truly a special place with very special people.

Your brother in Christ,
Tony Edwards

Earth's Most Sacred Spot

There is a chapter in a devotional book on the death of Christ. One of the chapters is on "Earth's Most Sacred Spot." The author was referring to Golgotha, "the place which is called Calvary." Because our Savior suffered and died there, the author considered it the most sacred of all places. But the earth's most sacred spot is not some hill on the other side of the world. The most sacred place on this earth is right here at His table, when we commune with Jesus and with one another in breaking bread and drinking the cup of the Lord.

Do this in remembrance of me
