Luke 9: 28-36  
**Seeing His Glory**  
Dr. Dan Doriani

1. What do we learn about Jesus from his Transfiguration?
2. Why does the Father say “Listen to him?” What did the disciples especially need to hear that day?
3. The command “Listen to him” applies to us too. What does our society and our church need to hear today? What do you especially need to hear?
4. Why do our spiritual disciplines - like prayer and service - need to be informed by all that Jesus (and other Scriptures) say?
