"Greater Grace"
Psalm 103: 8-12
Hewbrews 9: 13-14
Pastor Charles Godwin

1. What was new, different, or challenging from this message?
2. How does the fact that Jesus died in your place, took the punishment you deserve, appeased God's wrath toward your sin affect the way you live your life on a daily basis?
3. Interact with the following: "God's wrath was exhausted [by Jesus' sacrificial death on the cross]...It was not merely deflected or prevented from reaching us. Jesus bore the full brunt of it."
4. How does the fact that Jesus removes your sin and its guilt and penalty as far as the east is from the west affect the way you live your life on a daily basis?
5. Interact with the following: "To what extent can I really be forgiven? We realize how difficult it is for us to forgive the things others have done to us, and we suspect that the same is true for God. But here is God's answer. The east is the farthest thing from the west, infinitely and absolutely and categorically distant."
6. About God's removing our sin and its guilt and penalty from us in Christ, Corrie Ten Boom said, "And then God put up a sign saying, 'No fishing allowed.'" Why would she say that?
