"God's Spirit In Us"
John 14: 15-31
Pastor Charles Godwin

1. What was new, different, or challenging from this message?

2. What do we do/where do we go with our troubled hearts as we deal with our sin and brokenness and that of the world around us?

3. Interact with the following: "The Holy Spirit comes alongside us, encourages us, holds us up, picks us up, dusts us off when we fall, and gets us going again." What does this mean to you today?

4. How does the presence of the Holy Spirit with us and in us help us to fight our doubts?

5. How are Jesus' words about the Holy Spirit's confirming our adoption as God's children significant for the disciples as they faced Jesus' death and turned their backs on him? How are they significant for us as we at times turn our backs on him?

6. Interact with the following: "The same power that, through Jesus, brought regeneration and life to many flows through us. The same wisdom that brought healing to the most fragmented relationships is operable in us. The same miraculous love that brought life to impossible situations resides in us, through the Holy Spirit!"

7. How does the fact that "God is like 3 persons who could've held hands forever and looked in and had a great triangle no one ever could touch, but it was the glory of the Trinity to keep holding hands and turn around and to create a world, populate it, and keep looking at rebels like you and me" motivate and enable our love for others?
