

The following prayers have been requested:

For Carolyn Hauptmeier who had a pacemaker put in and got an infection the next week. She is on antibiotics. Please pray for healing and for her doctors to provide the best treatment.

For a young mother of three who is undergoing a stem cell transplant to treat aggressive cancer, for the treatment to be successful and for comfort and strength for her and her family.

From Ruth Gruchow for her cousin, Sheila and family following the passing of Sheila's husband Scott from a heart attack at age 62.

For a friend's daughter who is struggling with mental and addiction issues.

From Marsha Andrews for her friends, Linda, to come to the Lord and for strength and patience while taking care of her father, Paul, who is recovering from a stroke. Also, for Paul's healing

From Marsha Andrews for her friend, Shirley who is having a biopsy on her breast, that it will be benign.
