

The following prayers have been requested:

From Dennis and Linda Dohm for Cass and Eleanor Clagg, as Ella fights a long-term battle with cancer that seems to be nearing the end, for healing, if God wills, and for comfort and peace.

From Mary Ann Leonard for her husband, Jim, who is currently hospitalized with four broken ribs, for comfort and healing.

From Lana Brown for her 16-year-old dog, who jumped off the couch and dislocated her femur. She recently had surgery, but is not healing well. Please pray for her recovery.

For Julie Weaver upon the loss of her husband, Neil.

For Allan and Shirley Schlichter as they struggle with health issues.
