Messiah Preschool Newsletter

Rebekah Petinak, Director

Welcome to Messiah Preschool! We are looking forward to a great year together. I look forward to greeting the children each morning in the hug line and appreciate you bringing them through this quick health check on their way to the classrooms. Please remember to sign your child in and out each day. My door is always open if you have any concerns or questions you would like to talk to me about. I look forward to partnering with you.

Vertical Response:

Every week the preschool office sends out an email to all families called Vertical Response. This email keeps you updated on current events at the preschool. If you have not been receiving the emails, please stop by the office to make sure we have your correct email address.

School Pictures -- September 30 – October 2

Playful Portraits will be on campus to take school pictures of your child. Portrait selection and purchases will be done online, picture proofs and website information will be in cubbies after picture day.

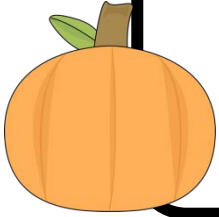

Welcome Little One!

Congratulations to the Mei family! Olivia Mei in Ms. Soldridge's class is a big sister to her new baby sister Luna!

Safety Month

We will be focusing on safety this month practicing fire, earthquake and intruder drills in the classrooms.

Tuition is due on the first of each month starting in October. There will be a mailbox in the hallway where you may drop off your check. There will be a white mailbox in the office for you to drop off tuition as well.

If you are paying cash, you are welcome to stop by the office and make your payment.

To avoid the \$10 late fee, please be sure to pay by the 10th of each month.

Thank you to...

The Advisory Board for helping with the Book Fair and making the first days of school special.

Levi Blair's Family for the donation of the choking devices

Liam Francis' Family for the butterfly plants

Kellan Kraning's Family for the copy paper

Liam Huntley's Family for the classroom supplies

Our Messiah staff for all their hard work and dedication in getting the classrooms and school ready for the 2024-2025 school year.

Parent Communication

Please be sure and check your child's cubby and backpack for newsletters, calendars, "A Message from the Teacher" report, and flyers from the office.

I will also post info on the large white board by the hug line in the hallway or the white board by the play yard.
