

November 2024

Messiah Preschool Newsletter

Rebekah Petinak, Director

It has been a joy getting to know your children over the past two months! I enjoy each story, smile, wave, and hug in the morning and have seen their growth in the short time that we have been in school!

Our theme for November is “Game On!” and we will be learning about sports, healthy foods, healthy choices and being active. We will also be exploring the world through our 5 senses.
