

# February 2025

## Messiah Preschool Newsletter

Rebekah Petinak, Director

Our theme for the month of February is Planes, Trains, and Automobiles. We are excited to explore all types of transportation. Our social studies theme for the month is love and we will be learning through our Bible Story and class times about how much God loves us and how we can be loving to one another.

### Valentine Exchange:

The children will be exchanging valentines in their classrooms on February 13<sup>th</sup> and 14<sup>th</sup>. To make it easier to pass out valentines, when it says "to" just write, "Friend" and write or have your child write their name for "from". Your teacher will let you know how many children are in the class.
