2024 SUMMER FAMILY CAMP

JUNE 1 – 6, 2024

OPENINGS FILL VERY FAST. REGISTER SOON FOR BEST OPTIONS.

Winter is a great time to plan for summer - actually, it's the only time if you want to attend Family Camp because the cabins are usually all booked by mid-February!

God centered family time. Water Skiing & Tubing. Zip Line. Fishing. Playing at the beach. Sailboarding. Swimming. Kayaking. Horseback Riding. Archery. Riflery. Crafts. Campfires. White Water Rafting. Hay Rides. Read a book on the beach. Canoeing. Baseball. Mini-Golf. Climbing walls. Coffee Shop. Dessert Barge. Boats. Logger's Breakfast. Islanders' Breakfast. Lumber Baron's Breakfast. Buckboard Breakfast. Family Events and Games. Snack Shop...

Sounds like a great time, doesn't it?

These are some of the things that families can do all week long (and for no additional charge!) at Family Camp next summer at Silver Birch Ranch Camp in the Northwoods of Wisconsin.

We would love to have your family join us for a great time of fun together.

What does a typical day at family camp look like?

- A typical day starts out with breakfast (at the dining hall, on a pontoon boat, in the woods, on an island...).
- After breakfast the children head off to a VBS type of class (stories, crafts, games) while the adults and teens head off to chapel.
- After chapel, the adults and teens have some time to do something on their own (ride horses, canoe, water ski, etc.) and then join back with the children.
- Lunch follows and then afternoon family activities – you can participate in any of the activities listed above. All are available at no extra charge and all are done with excellence. You'll also have plenty opportunity to do the things that you want to do most.
- After your time of fun in the sun, you'll have worked up a hearty appetite. Thankfully the meals are great, including a big salad bar.
- Once it's time for the kids to go to bed, there are college students available who will hold down the cabin while the parents head out for a late night rendezvous – maybe a canoe across a moon-lit lake, games with friends at the dining hall, a walk along the lake...
- Then sleep fast or sleep long – you decide. You can do as much as you want or as little as you want. Someone is cooking for you, doing your dishes, providing fun activities. Play hard one day and then take it easy the next... You decide.
- Evenings are filled with family games, campfires and wild hayrides.

NEXT STEPS:

1. The easiest thing to do is call or email our resident family camp expert, Kate Duff. She’s been to family camp 12 summers in a row so she is a good resource. She will also be the one to take your registration.
2. Decide on your lodging preferences.
 - Cabins: sleep 4-16. Share a larger cabin with another family to save some money. Cabins (except rustic cabins) all have heat, private indoor showers and bathrooms. The cost for these cabins range from \$325 - \$925 for the week, regardless of the number of people in the cabin.
 - Rustic Cabins: are just that – rustic. They do not have private bathrooms or showers, but there are clean bathhouses within a short walk. These sleep 10 in bunks and cost \$225-\$300 for the week, regardless of the number of people in the cabin.
 - Campsites – bring your pop-up or RV (water & electricity). Campsites cost \$125 for the week. Bathrooms nearby.
 - (Find photos and more info on cabins at www.silverbirchbranch.org, click on “Facilities” then “Cabins” and then select cabin’s individually.)
3. Determine your program fees.
 - Program fees are based per person and by age. See last page of this document.
 - Program fees cover all meals and activities during the week.
4. Make your reservations.
 - The great news is that as the sponsoring church, we have first crack at registration.
 - **You can reserve by contacting Kate (www.villagebible.org/familycamp) with your top three cabin preferences. First come - first serve.**
 - **Space fills up very quickly, so it is important to make your reservation as soon as possible.**

We hope you're able to join us for family camp!
