Scholar (f) 11
Oliver (m) 9
Frankline (m) 6

Pray for the Kaene "Blessing" Empowerment Group, Kenya
Partnered with the South West District of the Florida UMC
25 households and 99 total children
January 2024 through December 2026

150+ million children worldwide are orphaned or acting as caregivers for younger siblings.

Zoe Empowers approaches the orphan crisis with a focus on helping orphaned children and their families develop self-sufficiency in the context of community. The program addresses the well-being of the whole child, including physical, emotional, and spiritual needs. After three years, participants graduate with knowledge and skills to serve them for a lifetime.

The South West District of the Florida UMC began supporting Zoe Empowers in January 2024 by partnering with an empowerment group in Kenya which will participate in a holistic empowerment program over the next 3 years. The youth are pictured on the front page. Before joining our empowerment group, these youth were likely not known by name in their community. Now they know each other, and they are beginning to be known in their community. We also know their names! We hope you will pray regularly for the children in the household specifically named on the front of this card. You might pray for their safety, their education, their food supply and safe housing, and their wisdom and strength to keep working for the life that God intended to have.
