We Pray 1 Corinthians 12:12-27

Most Holy Triune God, thank you for your teaching that the body is one, has many members, and all the members of the body, though many, are one body, so it is with Christ. That the parts of the body that seem to be weaker are indispensable, and the body that we think less honourable we bestow the greater honour. If one member suffers, all suffer together, if one member is honoured, all rejoice together. Thank you for helping us follow your truth and love.
