Ohio's EdChoice Expansion Scholarship

Ohio's EdChoice Expansion Scholarship Program offers a state-funded scholarship to **every** K-12 student who is a resident of Ohio. These scholarships may be used to attend St. John Dublin Lutheran School. Whether you have a continuing student or a new student, your family is eligible to receive an EdChoice Scholarship that can be used toward tuition. Here is how it works:

EdChoice Expansion makes every student in the state eligible, with the value of the scholarship dependent on the student's family income. Those with a family income at 450% of the federal poverty level (FPL) and below will receive the maximum value of the scholarship. Those above 450% of FPL will receive a gradually diminishing value of scholarship according to the chart. All families applying for an Expansion scholarship must submit income verification with their scholarship application. Income verification is required only for the initial year's application and does not need to be submitted in subsequent years. However, if the family income decreases and it is to the family's advantage to resubmit in subsequent years, they may do so.

Once a student qualifies he/she must reapply each year but does not need to re-qualify each year.
