School officials at Bremerton High School (BHS) **suspended—and later fired—football coach Joe Kennedy because he prayed a brief, quiet prayer after football games.** A lawsuit was filed against the school district, arguing that **banning coaches from quietly praying, just because they can be seen by the public, is wrong and violates the Constitution.** The U.S. District Court for the **Western District of Washington**, and then the U.S. Court of Appeals for the Ninth Circuit, sided with the school district. The case **eventually landed in the U.S. Supreme Court.** In January 2022, the Supreme Court agreed to hear the case. **The Supreme Court ruled in favor of Coach Joe.**
