DISCUSSION GUIDE

JAMES: HUMILITY & HOPE

James 4

1. Wrestle with the questions presented in James 4:1. In what ways do the values of our politics, culture, media, and the broad religious or theological landscape play into how you answer these important questions? Despite your best intentions, how does your behavior impact those around you?
2. Building off the above question, how can the wisdom of James 4:11-12 help you better serve your neighbor?
3. As our community continues to grow in diversity that is political, cultural, and ethnic, how does the statement "God opposes the proud but gives grace to the humble" (James 4:6) shape how we feel and think about these changes?
4. Read James 4:7-10. How can James' words help you have a tender and repentant spirit before the Lord?
