Exodus 20:1-3

First Commandment

1. Examining Exodus 20:2-3, why is it significant that God first identifies Himself as their deliverer from Egypt before giving the Ten Commandments?
2. How does understanding that God's grace comes before our obedience change how you view following His commands?
3. Pastor Clint explained that making God 'first' in a priority pyramid isn't the right way to view the first commandment. Instead, how should we understand what it means to have 'no other gods' before Him?
4. What are some modern 'idols' that compete for God's place in your life?
5. Pastor Clint discussed that God speaks through creation, His Word, and Christ. How do these different ways God communicates help us understand His character and will for our lives?
