Meditating on the Word
June 28, 2020
Psalm 1
Mike Powers

God has blessed us with the privilege of delighting and meditating on his word.

1. The Blessing of Meditating is Delight.

2. The Focus of Meditating is the Word.

    - Tune Out the World
    - Tune into the Word
    - Engage the Word
    - Memorize the Word
    - Think about the Word

3. The Result of Meditating is Fruitfulness.

    - Firmly Planted
    - Grace Fueled
    - Well Supplied
    - Providentially Fruitful
    - Powerfully Persevering
    - Always Prosperous

4. The Destination of Meditating is Eternal Life.
