WEDDING HANDBOOK

Foothills Church

Wedding Handbook

Introduction

Congratulations on your upcoming wedding. Regardless what type of wedding you are planning, large or small, simple or elegant, the main purpose is the uniting of two lives into one through the exchanging of vows in worship. Since the vows are made before God, they deserve the dignity of a worship service. We have developed this booklet to assist you in planning a wedding that is pleasing both to you and the Lord.

The purpose of this handbook is to prepare the man and woman for a lifelong, God-glorifying marriage; to assist in the preparation of the wedding ceremony; and to provide resources after the wedding to help the couple maintain and enrich their relationship. The following pages will give the guidelines and policies for weddings at Foothills Church. It will also outline the steps to be taken and fees necessary to complete the process.

Steps to Follow

Please follow this procedure to be married by a pastor at Foothills Church.

1. Contact the church office.
2. Obtain wedding handbook.
3. Fill out the bride and groom information sheets found in the handbook.
Forms should be filled out separately.
4. Return the information to the church.
5. After receiving the information, the church will contact the couple regarding the approval status and to affirm the wedding date.
6. Upon approval, the wedding will be placed on the church calendar and the date reserved. Note: the wedding date cannot be finalized until the couple returns all completed information and has been contacted by the church office regarding approval.
7. The couple is responsible for calling the pastor who is performing the ceremony and scheduling counseling dates.
8. Couples must attend premarital counseling by a counselor approved by the pastor if they don't do pre-marital with him.
9. Meet with the pastor performing the wedding to discuss details of the service.
10. Get married!

Basic Principles

It is our desire that your marriage be the happiest relationship possible, and that it be all God intended it to be. God created man and woman and from the beginning intended that they be joined in marriage so that each might give what the other lacked alone. Since God designed the marriage relationship, it makes sense that He knows best how to build a happy marriage.

As we read the Bible, we are able to discern basic principles, which must be understood and applied if we hope to experience joy and fulfillment in marriage. Ignoring these principles will result in frustration and possible failure in the marriage relationship.

Because we are committed to building strong marriages, we want to share the following guidelines. Our purpose is not to condemn or reject anyone, but to comply with God's principles for marriage.

1. Because we encourage minimum of three months of marital preparation, couples who desire to be married by a pastor at FC are to participate in premarital counseling. Each couple is responsible for setting up the appointments and attending each meeting.
2. Couples being married by a FC pastor must have surrendered their lives to Jesus Christ and must be committed to establishing a Christian home.
3. The bride, groom, or parents of the bride and groom must be a partner of FC in order to use church facilities.
4. Divorced persons may be considered for marriage at FC should they meet one of these biblical criteria:
 - a. Former spouse is deceased (Romans 7:2; 1 Corinthians 7:39)
 - b. Divorce occurred prior to conversion (2 Corinthians 5:17)
 - c. Divorce occurred because of sexual unfaithfulness by spouse (Matthew 19:3-9)
 - d. Desertion by an unbelieving spouse (1 Corinthians 7:15)
We acknowledge that other extenuating circumstances may exist in the case of divorce that are not clearly outlined in Scripture. A meeting can be arranged to consider your circumstances.
5. No remarriages after divorce of a spouse will be performed until at least one year has passed from the time of the divorce is finalized.
6. In the case of premarital pregnancy, the marriage may or may not be performed depending on the maturity of the people involved.
7. Pastors will not begin the premarital process if the couple is living together at the same address.
