

The background of the entire page is a photograph of two hikers silhouetted against a dramatic sunset sky. The sun is low on the horizon, creating a bright orange and yellow glow that filters through scattered clouds. The hiker on the right is standing on a higher ridge, leaning forward and reaching out with their right hand towards the hiker on the left. The hiker on the left is lower on the ridge, also leaning forward. Both hikers have backpacks on their backs. The overall mood is one of perseverance and mutual support.

BETHEL
LUTHERAN CHURCH

“Then I heard the voice of the Lord asking: Who should I send? Who will go for us? I said: Here I am. Send me.”
-Isaiah 6:8

Bethel's mission is to Connect, Grow, and Serve God and one another. The Mission and Justice Committee has created this booklet to help you find ways to live out our mission, by connecting you to the different mission opportunities we offer locally, nationally, and globally. It is designed to give you a list of the opportunities with a brief description of each as well as when they take place. For more information, feel free to use the contact information provided or contact Pastor Ladd at the church (715-386-8821). Thank you for helping us live out our mission here at Bethel.

The Mission and Justice Committee also wants to let you know three things:

- If you see a mission ministry that we offer here at Bethel that is not listed please feel free to contact Pastor Ladd.
- Please check with your place of employment to see if they offer any paid volunteer leave opportunities so that you can take part in one of these ministries.
- If you are interested in leading or sponsoring a Mission or Justice event you can contact Pastor Ladd for help as well as Thrivent Financial for possible dollars to assist you in creating your event.

items, and setting up for the event. During the Food Fest, volunteer opportunities include: serving food, cleaning tables, assisting guests with seating and carrying trays, doing dishes, and cleaning up. This event is the Women of Bethel's only fundraiser, and its mission is to provide grants to ministries, both inside and outside the church. For further information, contact the church office at 715-386-8821.

School Kit Lutheran World Relief

The Ruth Gathering of the Women of Bethel collects and assembles school kits for Lutheran World Relief to help those in difficult situations. The women provide empty school backpacks with a list of specific supplies that are needed. Members of the congregation take the school bags, fill them as requested, and return them to the church. The school kits contain essential supplies to help children learning while facing serious obstacles. That learning leads to a better life for the students, their families, and their communities. Monetary donations to help with the cost of supplies are always appreciated. For further information, contact the church office at 715-386-8821.

Special Relief Offerings

Throughout the year Bethel will give individuals the opportunity to help support people who have experienced hardships because of War to natural disasters, such as the war in Ukraine and flooding on the Golf Coast. This money is given to Lutheran World Relief which then can use the money given to help the most people.

Sunday School Offering

Our Sunday School strives to teach the importance of giving and doing mission work outside the church doors. Each year we do a monetary offering. This year we are collecting backpacks for the Hudson Backpack Program that assists kids with meals. We also will collect a monetary offering which will go to Pine Ridge Reservation School.

Tanzania/Haiti Mission Trips

The purpose of the Tanzania and Haiti mission trips is to proclaim the Gospel of Jesus Christ, to extend Christian hospitality, and to strengthen relationships with one another through the shared practices of prayer, presence, and projects. We are committed to pray for those we visit every day; and they, in turn, pray for us. We support each other by attending worship services together at each other's churches, sharing meals in each other's homes, and learning about each other's culture. We assist them with projects through consultation with their leaders on project details; by offering physical assistance (e.g. installing a sound system, helping with construction and maintenance, etc.); and by providing financial assistance through fundraisers. Donations to the Bethel Tanzania Scholarship fund help 40-50 students attend Iringa Diocese high schools each year, which not only aids the student, but also impacts the entire family. For further information, contact Mary Gerzmehle at mgerzmeh@hotmail.com or 715.781.0033.

Fleece donations are needed for this program in 2.5 yard sections. We also welcome donations from Bethel members and families to make tie blankets at home.
