

Silent Auction will open 9/15!

You can browse items online at <https://onecau.se/gaauction>.

The Auction rooms will be open for in-person viewing on Friday, 9/18/26 from 5pm - 9:15pm and Saturday, 9/19/26 from 12pm-7:30pm. Bidding ends online at 1:00pm, Sunday, 9/20/26.

How to Access: Use a smart phone, tablet or computer from home and go to the website:

<https://onecau.se/gaauction>. Go to Account, and you can tap “log in”. Since the site has a new platform, everyone will need to register again. Sign up easily with an email. It will send a code to your email that you will need to input to verify it’s you. Then please add a phone number to get our text notifications, and an address if you want. **Please don’t add your credit card info when you register**, you can skip it. You can check out directly with the church on Sunday or Monday instead (we pay a lower fee for credit cards if you do it with us directly). If you have shopped with us before, we will send a text message inviting you to shop again when we open online. You can also check in at Auction Registration too. If you don’t have a smart phone or device, you can work with a Bid Assistant on site during the viewing hours to assist you in placing bids. It’s actually pretty easy!

Check Out and Item Pick Up

Checkout and Item Pick Up will be Sunday, 9/20 from 1:30pm -3:30pm in person in the lower level (payments by Peter O’Neill and item pick up by the Youth Center). We will also offer a drive through pick up on Monday, 9/21, from 4:30pm-7pm. Drive to the back parking lot and follow the directions of our volunteers (stay in your vehicle, we will come to you for payment and bring your items out to you.). You can have a family member or friend pick up for you if you have a conflict. If you have an extenuating circumstance, please contact us to make other arrangements at silentauction@guardian-angels.org.

Tips: Click Menu to choose the Silent Auction page, our sponsor page or donor page. When on the Silent Auction page, **clicking the filter button** to browse items by category, see featured items, items with no bid yet or buy it now packages. Use the search bar to search by keyword (i.e. golf or hotel, etc.). You can also “watch” your favorite items by clicking the heart button in any listing. Then tap the “My Items” icon to see your watch list and your bidding activity at any time. Use “my account” to update your contact info or log in information.

Once you are the high bidder on an item, it will ask if you want to set a maximum bid. The system will bid for you, but only if someone bids against you. This is a great option so you can enjoy the festival or if you are using a Bid Assistant to help you bid.

You also have the option to use the buy it now feature on most items which is 150% of the retail value. If you want to check out and take the item home right away during the in-person viewing, have a volunteer bring up your buy it now item after you purchase it online to our buy it now check out/info desk by auction registration. Please don’t pick up any auction items yourself, let our volunteer staff do that.

We have some fixed price finds which are flat prices of \$5-\$20 on tables by the meditation room and under the gift card wall in the youth center. Please bring those items up yourself to check out at the buy it now checkout. Let us know if you have any questions. **Remember to bid generously as this is a fundraiser! Happy bidding and have a great festival!**
