MIC Awarded Community Partner of the Year by Missoula Food Bank & Community Center

MIC received Missoula Food Bank & Community Center's 2023 "Community Partner of the Year" award. In 2023, the Housing Advocate Network began a partnership with MFB&CC to do weekly drop-in housing support hours (Tuesdays 2-4pm).

"The intersectionality between housing and food insecurity is real and it feels very meaningful that we could partner with this amazing organization to tackle those challenges together all under one roof. The staff and volunteers of HAN are courageous in taking on this massive challenge of supporting people through navigating housing systems. We deeply admire the work they do, and are so grateful to call them our Community Partner of the Year. Big thanks to MIC's HAN crew for providing this awesome resource to this community." – MFB&CC

Thank you Missoula Food Bank & Community Center for granting us this meaningful award. We are honored to be recognized in this way and greatly value your partnership.
