Housing Advocate Network Is Hiring!

The Housing Advocate Network is now hiring a Program Manager **INSTEAD** of a Program Coordinator, which means a higher level of responsibility but also a higher level of pay! Are you interested in bringing hope to our neighbors struggling to navigate Missoula's challenging housing systems? Or maybe you know someone who does? The MIC Housing Advocate Network is seeking a grounded, compassionate individual to join our team.

The Program Manager and Family Houselessness Prevention Specialist will cultivate and support a network of volunteer leaders to walk alongside of program participants, participate in the development,

growth and sustainability of the HAN program and provide direct case management to families seeking to avoid entering our shelter systems.

First "Community Concerns Evening" at Holy Spirit Episcopal Church

You are welcome to join in Holy Spirit Episcopal Church's first Community Concerns Evening on March 13

The parish's Social Concerns Committee is launching a series of "Community Concerns Evenings." Attendees will learn about and understand community issues and efforts to address those issues.

The first Community Concerns Event will take place on Wednesday, March 13, with a presentation and discussion about Dementia Friendly Missoula. As our population ages, this has become an important issue which all of us should better understand: what dementia is, how to avoid or minimize dementia when you are younger, how to live with dementia, and how to treat those suffering from dementia in a friendly and positive manner.

Please join us on March 13 at 6:00 PM, in the Holy Spirit Episcopal Church Parish Hall (130 S 6th St E, north of Hellgate HS).

Please RSVP to the Church Office (406-542-2167) if you are planning to attend, as we will be providing some light refreshments during this event.
