5. In what ways does the Spirit of God bring power into our lives?

6. What does it mean to be "rooted and established in love"?

Life Application:

12. Paul uses these four adjectives to describe God's love: wide, long, high, and deep. Why do those words describe God's love?

14. What makes the Bible a difficult book to study and understand?

15. What are some of the word pictures that the Bible uses to describe itself? What do those word pictures mean?
