To the Congregation of Roseville Lutheran Church,

Included in this mailing you will find a letter from Pastor Lauren sharing that she has accepted another call. We are excited for Lauren's new ministry challenge, while recognizing that this will be a great loss to us and to our congregation. The congregation has had many senior pastors over 80 years. Each has left their imprint on the congregation and the congregation's ministry has continued, and prospered, as our pastors moved on.

We are blessed to have three strong pastors, a committed staff, and an engaged and positive council. This allows us to move onward during this transition period. RLC Executive Committee and current Pastors are already meeting with the Bishop to discuss an interim lead pastor and a call committee process.

More information will be coming on the call process. This process is the responsibility of the call committee (to be created in the near future), and not the council. A call for our next pastor needs to be approved by the congregation. The process assesses the congregation's mission, future, and needs. Luckily, we have recently updated our constitution and strategic plan. RLC is properly situated to transition smoothly.

We are united by grace,
RLC Executive Committee
