# The Church on Fire

## The Book of Acts

We're familiar with Pentecost – the Spirit descending like tongues of fire, resulting in 3,000 baptisms. We celebrate it as the Birthday of the Christian Church. As we explore the book of Acts, we'll discover how God grows His church and its people. We'll apply these timeless teachings to our congregation today.

You'll learn about the church's organization, its resilience in overcoming challenges and its outreach into the ancient world. In two of our final sessions, you will be invited to join discussions on the opportunities and challenges facing King of Glory now and in the future.
