Photo Permission Information

In House: Children's Ministry takes photos to use for bulletin boards, class projects and our weekly newsletter.

Social Media: On occasion, we post photos on our King of Glory social media pages. We will not print your child's name or tag any photos.

Food Allergies

We strive to create an inclusive environment for all children. If your child has food allergies, we will work with you to find a comparable alternative during special snacks. All Children's Ministry programs and areas are NUT FREE. All snacks must be pre-approved. Please ask before bringing snacks to share.

Would a little extra support help your child fully participate?

Because children learn differently and have different needs, our classroom includes:

- "Fidgets" for children who need something to do with their hands in order to self-calm or to help with focus
- Sensory cushions provide active seating for wigglers while improving focus.

If there is something more we can do to support your child, please let us know.

- It is important that we know if your child has food allergies or special needs. Please let the Nursery Coordinator know because we offer children a snack during their visit.
- If your child is potty training, please bring an extra set of clothes.
- Labeled sippy cups are helpful if your child cannot drink from a Dixie cup.
- We do play outside if the weather is nice except when children are wearing special occasion clothing.

Sunday School |

Elementary

Kindergarten — 5th Grade

Sunday School children will explore the weekly Bible story through a variety of hands-on activities.

- Children 3rd – 5th will be dismissed, on their own, unless otherwise noted on the attendance sheet stating your child will be picked-up by an adult and not dismissed on their own.

| Suite 117, Room A |

For the comfort and safety of your children, it is important for parents to remain in the building while their children are in Sunday School and the nursery. If you should be needed, it is a great help to be able to contact you immediately.

Worship

Worship

Children sometimes find it difficult to sit through the entire worship service without wiggling, fidgeting and losing interest. In order to help children and parents make the most of the worship experience, Children's Ministry offers these resources:

- Nursery - for children through kindergarten age during worship.
- Sensory Room - an extension of our sanctuary for members and guests to retreat to when participating in a group setting becomes overwhelming. This room is for our disabled community only.
- Cry Room - located in the Nursery Hallway in **Rm 116**. Worship is streamed live on a large screen for families with sad infants and/or enthusiastic toddlers.
- Fidgets - These are not intended as toys for every child but are provided for children who need a little something extra to do with their hands during worship. Please return "fidgets" at the end of worship.
- Children's Bibles – Children's Bibles ranging from easy to older readers are available for Children to borrow during worship. Located on a table in the Narthex. Please return Bibles at the end of worship.
- Drawing paper is available in the Narthex along with a clipboard and pencil. Please return the clipboard and pencil at the end of worship.

Children's Choir

Children's Choir

Kindergarten – 5th grade children will meet after Sunday School.

Choir is from 10:00 – 10:30. The children will join the children's sermon at 10:30 in Room 115 and everyone returns to the Sanctuary together when the children's sermon is over.

Children's Choir serves as a vital component of church life by nurturing faith, developing musical and personal skills in our children, and enriching the worship experience and community for our King of Glory members.

Faith Stepping Stones

These are times when your child “steps” from one developmental stage to the next. As they step forward physically, mentally, emotionally and educationally, our goal is that they step forward spiritually as well.

Each Faith Stepping Stone includes four elements:

Naming: *We identify and recognize the event to give it holy significance.*

Equipping: *Adults and children (as they are able) learn stories, skills and habits that encourage growth in faith appropriate to the event.*

Celebrating: *In worship, community and at home through liturgy and time together, the congregation recognizes the new faith stage.*

Gifting: *The child receives a tangible symbol of the event as a reminder of its holy significance.*

2026–2027 Stepping Stones Details

Into the Bible

Bible Education: 3rd grade and older

Children will be presented a children's Bible during worship. During their Stepping Stone SundaySchool Workshops, children will personalize those Bibles, explore the different parts, learn how to find specific passages, and to use the "helps" that are provided. The goal of the workshops is for children to feel comfortable using their Bibles and be encouraged to use them regularly.

Into Communion

Communion Education & First Communion: 2nd grade and older

At King of Glory, the age at which children begin communion is a family decision. We acknowledge that children mature at different ages and that some parents have strong preferences as to the appropriate age for children to begin. Each year we offer a multi-week Communion Education class for children in second grade and above whose parents have determined that their child is ready. Children will explore communion as instituted by Jesus at the Last Supper and the meaning of communion from a Lutheran perspective.

Fellowship

Fellowship is always fun. During the year, look for opportunities to grow and play together in a safe Christian environment. Each event will provide an opportunity for children to meet new friends and deepen existing friendships. Lunch is provided. Friends are always welcome.
