Photo Permission Information

In House: Children's Ministry takes photos to use for bulletin boards, class projects and our weekly newsletter.

Social Media: On occasion, we post photos on our King of Glory social media pages. We will not print your child's name or tag any photos.

Please be sure to register and let us know if you do NOT want your child's photo taken.

Food Allergies

We strive to create an inclusive environment for all children. If your child has food allergies, we will work with you to find a comparable alternative during special snacks. All Children's Ministry programs and areas are NUT FREE. All snacks must be pre-approved by Rainey Smith. Please ask before bringing snacks to share. Register your child and provide your child's food allergy information.

Would a little extra support help your child fully participate?

Because children learn differently and have different needs, our classroom includes:

- "Fidgets" for children who need something to do with their hands in order to self-calm or to help with focus
- Sensory cushions provide active seating for wigglers while improving focus.

If there is something more we can do to support your child, please include that information on your child's registration form or contact Rainey Smith.

For the comfort and safety of your children, it is important for parents to remain in the building while their children are in Sunday School and the nursery. If you should be needed, it is a great help to be able to contact you immediately.

Worship

Worship

Children sometimes find it difficult to sit through the entire worship service without wiggling, fidgeting and losing interest. In order to help children and parents make the most of the worship experience, Children's Ministry offers these resources:

- Nursery - for children through kindergarten age during worship.
- Sensory Room - an extension of our sanctuary for members and guests to retreat to when participating in a group setting becomes overwhelming. This room is for our disabled community only.
- Cry Room - located in the Nursery Hallway in **Rm 116**. Worship is streamed live on a large screen for families with sad infants and/or enthusiastic toddlers.
- Fidgets - These are not intended as toys for every child but are provided for children who need a little something extra to do with their hands during worship. Please return "fidgets" at the end of worship.
- Children's Bibles – Children's Bibles ranging from easy to older readers are available for Children to borrow during worship. Located on a table in the Narthex. Please return Bibles at the end of worship.
- Spark Activity pages for Pre-Reader and Reader are available in the Narthex along with a clipboard and pencil. Please return the clipboard and pencil at the end of worship.

Children's Choir

Children's Choir

Kindergarten – 5th grade children will meet after Sunday School in Room 211. Choir is from 10:00 – 10:30. The children will join the children's sermon at 10:30 in Room 115 and everyone returns to the Sanctuary together when the children's sermon is over.

Children's Choir serves as a vital component of church life by nurturing faith, developing musical and personal skills in our children, and enriching the worship experience and community for our King of Glory members.

Faith Stepping Stones

These are times when your child “steps” from one developmental stage to the next. As they step forward physically, mentally, emotionally and educationally, our goal is that they step forward spiritually as well.

Each Faith Stepping Stone includes four elements:

Naming: *We identify and recognize the event to give it holy significance.*

Equipping: *Adults and children (as they are able) learn stories, skills and habits that encourage growth in faith appropriate to the event.*

Celebrating: *In worship, community and at home through liturgy and time together, the congregation recognizes the new faith stage.*

Gifting: *The child receives a tangible symbol of the event as a reminder of its holy significance.*

2025–2026 Stepping Stones Details and Dates

Into the Bible – September

Bible Education: 3rd grade and older

Children will be presented a children's Bible during worship. During their Stepping Stone Sunday School Workshops, children will personalize those Bibles, explore the different parts, learn how to find specific passages, and to use the “helps” that are provided. The goal of the workshops is for children to feel comfortable using their Bibles and be encouraged to use them regularly.

September 14th: Presentation of Bibles during worship.

Sept. 14th & 21st: Into the Bible Workshops during the Sunday School hour in **Rm 213**.

Into Communion – January/February

Communion Education & First Communion: 2nd grade and older

At King of Glory, the age at which children begin communion is a family decision. We acknowledge that children mature at different ages and that some parents have strong preferences as to the appropriate age for children to begin. Each year we offer a multi-week Communion Education class for children in second grade and above whose parents have determined that their child is ready. This year, the Communion Education series will be offered on Sundays in January/February. Children will explore communion as instituted by Jesus at the Last Supper and the meaning of communion from a Lutheran perspective.

- **January 25th, February 1st and 8th:** Communion Education Classes during the Sunday School hour.
- **February 15th:** Celebration Breakfast during the Sunday School hour followed by First Communion Celebration during worship.
