

APRIL

NEWSLETTER

MESSAGE

Hello Puppy Parents! Easter is just around the corner, the day Jesus our Savior rose from the dead! Last month, we learned to recognize the shape of a Diamond, reviewed our color Green, and counted up to 7! We had so much fun during Parent Chapel last month, which also happened to be Ash Wednesday; just another reminder of God and Jesus' immense love for us! We also had our Spring Fling. We got so many cute pictures of your little ones, they had so much fun. The petting zoo was such a big hit!

This month we have Children's Book Day, which is April 2nd. Your child can bring the book of their choice to share with the class! On the 16th we have another Parent Chapel, and we would love for you to worship with us! Our shape of the month is the Cross, our color of the month is Brown, and we will be counting up to 8. As always, we'll have so much fun learning with your littles!

Blessings,
Ms. Anaiah & Mrs. Kathy
